3	Reference to page no. 16, Do now we require a license purchase services provider name in tender document i.e. complete of CVO, Gurdaspur. Because here mention for **Security & Intelligence Services Bulletproof** i.e. name not shown	Page No. 16 is a sample copy of agreement which is not a collection of tender evaluation. However, the name is an indicative error remark the name of the service provider is mentioned. This does not have any bearing on receive on tender
