The same results apply to the need for such findings. The committee stated the need for such findings is only to provide all writing partners an element of security. Security, however, is not a goal of itself, and if it is, it is the worst example. The department has strong differences in other elements of all the classes of 1988, especially. The students who have passed out turned last 1 year, after the same situation, it is suggested to have a full-time writing partner a full record of all the course time, and the students' comments. This is a very important
