Student's Core suggestions

- **To enhance the student's practical knowledge and their communication skills for better future career. Also, To solve our query regarding external part of our courses that is necessary for our better future.**
- **Provide more books of Commerce in the library. Provide extra classes for NET/JRF candidates so that we can compete well in these exams also. A request to the professors to please keep their videos on while delivering lectures to make it more lively.**
- **Online class cannot fulfill the needs of students. We were struggling and can't reach the goal and can't get enough exposure. We need a student friendly and effective improvement that helps to get more exposure rather than studying texts**
