

## Query/ resolution received from prospective bidders

(Tender Notice No. CU/STP/SCA/ADM/TENDER/2016-15, Serial 06/5/2016)  
(Providing Canteen Services)

Sl. No.	Description of query	Reply/ Resolution
1.	No of fixed meals or snacks per day is not mentioned in scope of work which is essential for us to tender budget quotes.	Since this is staff canteen, fixed meal can't be ascertained as it would be on the choice of staff. However, total number of staff working / available in Administrative building is approx. 100.
2.	Estimated cost of almost all items in menu is low. We request you to kindly keep provision of revision of the same quarterly.	The Committee depending upon price index may review the prices on six monthly basis only.
3.	We have visited the location of canteen and understand that the foot fall in above said premises is very less. We request you to kindly provide space in School buildings for providing stalls so that minimum expenses can be recovered to provide better food and in hygiene conditions.	This can't be committed at this stage. However, the University on mutual agreed terms and conditions may ask the Service Provider to extend their services based on need and demand, in future.
