***Agreement for Internship Experience***

On behalf of the Centre for Development Studies, Central University of South Bihar we would like to thank you for agreeing to provide internship opportunity to our students. By giving this opportunity you are helping our students to learn from real life work experiences. This internship is purely for academic purpose wherein students earn academic credit. Payment of the remuneration to the intern on the number of hours/ weeks is entirely at the discretion of the internship providing organisation. The University, however, appreciates payment of remuneration for work done by the students particularly to inculcate dignity and self-efficacy among our students. The Central University of South Bihar is not responsible for any kind of payments either to the organisation who agree to provide internship or to the intern.

The following agreement describes the working conditions of the intern and responsibilities of the organisation/NGO giving internship

As an internship supervising organization we request you to work with him or her to provide

- A task which will give them holistic understanding of social reality, strengthen their critical thinking and competence to be productive and efficiency in their work career
- A single point of contact to work with the students
- A safe and appropriate working environment
- Continuous supervision and training
- An evaluation of the student's work and submission of report

The location of the internship is \_\_\_\_\_

The nature of work is \_\_\_\_\_ which student is working for \_\_\_\_\_ hours per week. The number of weeks he/ she working is \_\_\_\_\_.

An intern will/ will not be provided remuneration of Rupees \_\_\_\_\_ for the work done by him/ her.

If you agree to this agreement please sign it.
