| Friday                              | MSLSC3005C04<br>Dissertation                                                                                      | MSLSC3003C04<br>Physiology of Animal System     | MSLSC3004C04<br>Biology of Immune System     |                                |                | MSLSC3001C04<br>Developmental Biology (P)  | MSLSC3002C04<br>Physiology of Plant System (P)  | MSLSC3001E04<br>Stress Biology     |
| Saturday                            | Online classes: Timetable will be followed Mon/Tues/Wed/Thurs/Fri in order as notified by Univ. vide notification |                                                 |                                              |                                |                |                                            |                                                 |                                    |

**Time- Table M.Sc. Programme (Sem III) w.e.f. 04/08/2022**

| <b>Course Name &amp; Code</b>            | <b>Course Instructor</b>          |
|------------------------------------------|-----------------------------------|
| MSLSC3001C04 Developmental Biology       | Dr. Tara Kashav (TK)              |
| MSLSC3002C04 Physiology of Plant System  | Dr. Gautam Kumar (GK)             |
| MSLSC3003C04 Physiology of Animal System | Dr. Ram Pratap Singh (RPS)        |
| MSLSC3004C04 Biology of Immune System    | Dr. Manoj Panchal (MP)            |
| MSLSC3005C04 Dissertation                | RPS/GK/AS/TK/MP/NKS/SK            |
| <i>MSLSC3001E04 Stress Biology</i>       | <i>Dr. Amrita Srivastava (AS)</i> |
