

Experiment on Light & Optics

Verification of Rayleigh's Scattering Law

Sl. No.	Experiment No.	Topic of the Experiment	Apparatus	Result	Conclusion
1	Rayleigh's Scattering	Scattering of light by small particles	Light source, glass, water, milk	Light is scattered by small particles	
2	Rayleigh's Scattering	Scattering of light by small particles	Light source, glass, water, milk	Light is scattered by small particles	
3	Rayleigh's Scattering	Scattering of light by small particles	Light source, glass, water, milk	Light is scattered by small particles	
4	Rayleigh's Scattering	Scattering of light by small particles	Light source, glass, water, milk	Light is scattered by small particles	
5	Rayleigh's Scattering	Scattering of light by small particles	Light source, glass, water, milk	Light is scattered by small particles	
6	Rayleigh's Scattering	Scattering of light by small particles	Light source, glass, water, milk	Light is scattered by small particles	
7	Rayleigh's Scattering	Scattering of light by small particles	Light source, glass, water, milk	Light is scattered by small particles	
8	Rayleigh's Scattering	Scattering of light by small particles	Light source, glass, water, milk	Light is scattered by small particles	
9	Rayleigh's Scattering	Scattering of light by small particles	Light source, glass, water, milk	Light is scattered by small particles	
10	Rayleigh's Scattering	Scattering of light by small particles	Light source, glass, water, milk	Light is scattered by small particles	
11	Rayleigh's Scattering	Scattering of light by small particles	Light source, glass, water, milk	Light is scattered by small particles	
12	Rayleigh's Scattering	Scattering of light by small particles	Light source, glass, water, milk	Light is scattered by small particles	
13	Rayleigh's Scattering	Scattering of light by small particles	Light source, glass, water, milk	Light is scattered by small particles	
14	Rayleigh's Scattering	Scattering of light by small particles	Light source, glass, water, milk	Light is scattered by small particles	
15	Rayleigh's Scattering	Scattering of light by small particles	Light source, glass, water, milk	Light is scattered by small particles	
16	Rayleigh's Scattering	Scattering of light by small particles	Light source, glass, water, milk	Light is scattered by small particles	
17	Rayleigh's Scattering	Scattering of light by small particles	Light source, glass, water, milk	Light is scattered by small particles	
18	Rayleigh's Scattering	Scattering of light by small particles	Light source, glass, water, milk	Light is scattered by small particles	
19	Rayleigh's Scattering	Scattering of light by small particles	Light source, glass, water, milk	Light is scattered by small particles	
20	Rayleigh's Scattering	Scattering of light by small particles	Light source, glass, water, milk	Light is scattered by small particles	
21	Rayleigh's Scattering	Scattering of light by small particles	Light source, glass, water, milk	Light is scattered by small particles
