Agenda No. 01/IQAC-09/21

To discuss the Evaluation of MoU/ Memor for Academic and other collaboration

Resolution

All instant the coordinator welcomed all members of IQAC for a special meeting which could lead to a new dimension for the university to grow. He explained the role of a MoU in the current scenario for the global recognition of the institution, and also explained its role in providing an opportunity to mutually collaborate with other eminent organization for incremental growth and recognition of the University. The members then held open their view on importance and mutual benefit of participating institutions in such MoU's for exploring the possibilities between CUSB and other organization in terms of research projects, joint organization of seminars, conferences, workshops, training programmes, exchange of faculty/students. However, members unanimously suggest for the need of drafting a clear guideline and/or regulation about the policies to govern before such MoU's. Moreover, they suggested to prioritize the underlying objective to achieve for excelling the University based on our priorities and to create a solid peer way for global collaborative research activity. In this regard, the members suggested to constitute an internal committee for drafting a Memor with a clear guideline so that a collaborative activity in the academic and/or research areas of mutual interest among participating institutions can be identified and each MoU's can be initiated. Members asked the coordinator to take this initiative by chairing the constituted committee on his end. It is decided create such draft within 15 days, which should include all relevant clause related to running
