2. A holistic multiple disciplinary curricula for various programme/courses should be offered by the dept keeping in mind of multiple entries and multiple exist.
3. ICT-based classes should be conducted/promoted by the faculty in the Dept.
4. More emphasis on developing E-learning materials/content in the light of achieving the target of NEP 2020
5. Innovative pedagogical practices and assessment techniques should be developed by faculty to transform theory into practices.
6. Capacity building programme (FDP/RC/OC/Training Program/Workshop) should be conducted as required for National Mission for Mentoring.
7. A robust mechanism for student progression and alumni engagement should be developed.
8. Research publication and awards, consultancy, and collaboration for research should be promoted.
9. Eco Club at University level and publishing of Newsletters/Magazine at Dept level should be promoted.
10. The department should try to initiate not only the faculty exchange programme with national and international bodies even the students and research scholars exchange programme too.
11. Teachers should be encouraged for conducting frontline collaborative research from inter-department and inter-institutions.
12. Interaction with inter-department industry/research centres/educational institutions by the faculty should be encouraged.
13. MoUs should be signed with local/national/international institutions of repute for academic collaboration.
14. Department should start some value-added courses to make students globally employable.
15. The Department should take some initiatives for students/research scholars exchange with different research bodies/agencies like ICSSR, etc.
16. Department should conduct some popular lectures on contemporary issues/ policy document like GST, Taxation, Home management and India's Economy.

Department of Political Science

1. Academic calendar of the Departmental activities is to be prepared.
2. A holistic multiple disciplinary curricula for various programme/courses should be offered by the dept keeping in mind of multiple entries and multiple exist.
3. ICT-based classes should be conducted/promoted by the faculty in the Dept.
4. More emphasis on developing E-learning materials/content in the light of achieving the target of NEP 2020
5. Innovative pedagogical practices and assessment techniques should be developed by faculty to transform theory into practices.
6. Capacity building programme (FDP/RC/OC/Training Program/Workshop) should be conducted as required for National Mission for Mentoring.
7. A robust mechanism for student progression and alumni engagement should be developed.
8. Research publication and awards, consultancy, and collaboration for research should be promoted.
9. Publishing of Newsletters/Magazine at Dept level should be promoted.
10. The department should try to initiate not only the faculty exchange programme with national and international bodies even the students and research scholars exchange programme too.
11. Teachers should be encouraged for conducting frontline collaborative research from inter-department and inter-institutions.
12. Interaction with inter-department industry/research centres/educational institutions by the faculty should be encouraged.
13. The department is expected to take steps for encouraging the students for increased participation in NSS and different cultural activities.
14. MoUs should be signed with local/national/international institutions of repute for academic collaboration.
15. Department should start some value-added courses to make students globally employable.
16. The Department should take some initiatives for students/research scholars exchange with different research bodies/agencies like ICSSR, etc.
17. Department should conduct some popular lectures on contemporary issues, international relations, e-governance and citizenship education, etc.
18. Efforts through faculty should be made to increase the enrolment of students in the programme.

Department of Sociology

1. Academic calendar of the Departmental activities is to be prepared and uploaded on the website.
2. A holistic multiple disciplinary curricula for various programme/courses should be offered by the dept keeping in mind of multiple entries and multiple exist.
3. ICT-based classes should be conducted/promoted by the faculty in the Dept.
4. More emphasis on developing E-learning materials/content in the light of achieving the target of NEP 2020
5. Innovative pedagogical practices and assessment techniques should be developed by faculty to transform theory into practices.
6. Capacity building programme (FDP/RC/OC/Training Program/Workshop) should be conducted as required for National Mission for Mentoring.
7. A robust mechanism for student progression and alumni engagement should be developed.
8. Research publication and awards, consultancy, and collaboration for research should be promoted.
9. Publishing of Newsletters/Magazine at Dept level should be promoted.
10. The department should try to initiate not only the faculty exchange programme with national and international bodies even the students and research scholars exchange programme too.
11. Teachers should be encouraged for conducting frontline collaborative research from inter-department and inter-institutions.
12. Interaction with inter-department industry/research centres/educational institutions by the faculty should be encouraged.
13. The department is expected to take steps for encouraging the students for increased participation in NSS and different cultural activities.
14. MoUs should be signed with local/national/international institutions of repute for academic collaboration.
15. Department should start some value-added courses to make students globally employable.
16. The Department should take some initiatives for students/research scholars exchange with different research bodies/agencies like ICSSR, etc.
17. Department should conduct some popular lectures on contemporary issues , constitutional values, Indian knowledge system and Innovation & Entrepreneurship.
18. Efforts through faculty should be made to increase the enrolment of students in the programme.

Department of Development Studies

1. Academic calendar of the Departmental activities is to be prepared and uploaded on the website.
2. A holistic multiple disciplinary curricula for various programme/courses should be offered by the dept keeping in mind of multiple entries and multiple exist.
3. ICT-based classes should be conducted/promoted by the faculty in the Dept.
4. More emphasis on developing E-learning materials/content in the light of achieving the target of NEP 2020
5. Innovative pedagogical practices and assessment techniques should be developed by faculty to transform theory into practices.
6. Capacity building programme (FDP/RC/OC/Training Program/Workshop) should be conducted as required for National Mission for Mentoring.
7. A robust mechanism for student progression and alumni engagement should be developed.
8. Research publication and awards, consultancy, and collaboration for research should be promoted.
9. Publishing of Newsletters/Magazine at Dept level should be promoted.
10. The department should try to initiate not only the faculty exchange programme with national and international bodies even the students and research scholars exchange programme too.
11. Teachers should be encouraged for conducting frontline collaborative research from inter-department and inter-institutions.
12. Interaction with inter-department industry/research centres/educational institutions by the faculty should be encouraged.
13. The department is expected to take steps for encouraging the students for increased participation in NSS and different cultural activities.
14. MoUs should be signed with local/national/international institutions of repute for academic collaboration.
15. Department should start some value-added courses to make students globally employable.
16. The Department should take some initiatives for students/research scholars exchange with different research bodies/agencies like ICSSR, etc.
17. Department should conduct some popular lectures on contemporary issues, writing analytically, communication skills and Lok vidya, etc.
18. Efforts through faculty should be made to increase the enrolment of students in the programme.

Department of History

1. Academic calendar of the Departmental activities is to be prepared and uploaded on the website.
2. A holistic multiple disciplinary curricula for various programme/courses should be offered by the dept keeping in mind of multiple entries and multiple exist.
3. ICT-based classes should be conducted/promoted by the faculty in the Dept.
4. More emphasis on developing E-learning materials/content in the light of achieving the target of NEP 2020
5. Innovative pedagogical practices and assessment techniques should be developed by faculty to transform theory into practices.
6. Capacity building programme (FDP/RC/OC/Training Program/Workshop) should be conducted as required for National Mission for Mentoring.
7. A robust mechanism for student progression and alumni engagement should be developed.
8. Research publication and awards, consultancy, and collaboration for research should be promoted.
9. Publishing of Newsletters/Magazine at Dept level should be promoted.
10. The department should try to initiate not only the faculty exchange programme with national and international bodies even the students and research scholars exchange programme too.
11. Teachers should be encouraged for conducting frontline collaborative research from inter-department and inter-institutions.
12. Efforts through faculty should be made to increase the enrolment of students in the programme.
13. Interaction with inter-department industry/research centres/educational institutions by the faculty should be encouraged.
14. The department is expected to take steps for encouraging the students for increased participation in NSS and different cultural activities.
15. MoUs should be signed with local/national/international institutions of repute for academic collaboration.
16. Department should start some value-added courses to make students globally employable.
17. The Department should take some initiatives for students/research scholars to exchange with different research bodies/agencies like ICSSR, etc.
18. Department should conduct some popular lectures on contemporary issues, Great Heroes of India, Lok vidya, Heritage of Indian Culture, Indian Knowledge System and Remembrance of partition etc.
19. Department should try to develop heritage club/park in the university premises.

Department of Law and Governance

1. Academic calendar of the Departmental activities is to be prepared.
2. A holistic multiple disciplinary curricula for various programme/courses should be offered by the dept keeping in mind of multiple entries and multiple exist.
3. ICT-based classes should be conducted/promoted by the faculty in the Dept.
4. More emphasis on developing E-learning materials/content in the light of achieving the target of NEP 2020
5. Innovative pedagogical practices and assessment techniques should be developed by faculty to transform theory into practices.
6. Capacity building programme (FDP/RC/OC/Training Program/Workshop) should be conducted as required for National Mission for Mentoring.
7. A robust mechanism for student progression and alumni engagement should be developed.
8. Research publication and awards, consultancy, and collaboration for research should be promoted.
9. Publishing of Newsletters/Magazine at Dept level should be promoted.
10. The department should try to initiate not only the faculty exchange programme with national and international bodies even the students and research scholars exchange programme too.
11. Teachers should be encouraged for conducting frontline collaborative research from inter-department and inter-institutions.
12. Interaction with inter-department industry/research centres/educational institutions by the faculty should be encouraged.
13. The department is expected to take steps for encouraging the students for increased participation in NSS and different cultural activities.
14. MoUs should be signed with local/national/international institutions of repute for academic collaboration.
15. Department should start some value-added courses to make students globally employable.
16. The Department should take some initiatives for students/research scholars exchange with different research bodies/agencies like ICSSR, etc.
17. Department should conduct some popular lectures on contemporary issues, constitutional values, IPR, Human Rights cyber jagrookta diwas etc.

Department of Teacher Education

1. Academic calendar of the Departmental activities is to be prepared.
2. A holistic multiple disciplinary curricula for various programme/courses should be offered by the dept keeping in mind of multiple entries and multiple exist.
3. ICT-based classes should be conducted/promoted by the faculty in the Dept.
4. More emphasis on developing E-learning materials/content in the light of achieving the target of NEP 2020
5. Innovative pedagogical practices and assessment techniques should be developed by faculty to transform theory into practice.
6. Capacity building programme (FDP/RC/OC/Training Program/Workshop) should be conducted as required for National Mission for Mentoring.
7. A robust mechanism for student progression and alumni engagement should be developed.
8. Research publication and awards, consultancy, and collaboration for research should be promoted.
9. Publishing of Newsletters/Magazine at Dept level should be promoted.
10. The department should try to initiate not only the faculty exchange programme with national and international bodies even the students and research scholars exchange programme too.
11. Teachers should be encouraged for conducting frontline collaborative research from inter-department and inter-institutions.
12. Interaction with inter-department industry/research centres/educational institutions by the faculty should be encouraged.
13. The department is expected to take steps for encouraging the students for increased participation in NSS and different cultural activities.
14. MoUs should be signed with local/national/international institutions of repute for academic collaboration.
15. Department should start some value-added courses to make students globally employable.
16. The Department should take some initiatives for students/research scholars exchange with different research bodies/agencies like ICSSR, etc.
17. Department should conduct some popular lectures on MOOCs, Educational Resource Creation and for increasing the awareness on latest policy documents like implementation of NEP 2020, NIPUN Bharat, Vidya Pravesh, Lok Vidya, NPST and NCF etc.

Department of Physical Education

1. Academic calendar of the Departmental activities is to be prepared and uploaded on the university website.
2. A holistic multiple disciplinary curricula for various programme/courses should be offered by the dept keeping in mind of multiple entries and multiple exist.
3. ICT-based classes should be conducted/promoted by the faculty in the Dept.
4. More emphasis on developing E-learning materials/content in the light of achieving the target of NEP 2020
5. Innovative pedagogical practices and assessment techniques should be developed by faculty to transform theory into practices.
6. Capacity building programme (FDP/RC/OC/Training Program/Workshop) should be conducted as required for National Mission for Mentoring.
7. A robust mechanism for student progression and alumni engagement should be developed.
8. Research publication and awards, consultancy, and collaboration for research should be promoted.
9. Publishing of Newsletters/Magazine at Dept level should be promoted.
10. The department should try to initiate not only the faculty exchange programme with national and international bodies even the students and research scholars exchange programme too.
11. Teachers should be encouraged for conducting frontline collaborative research from inter-department and inter-institutions.
12. Interaction with inter-department industry/research centres/educational institutions by the faculty should be encouraged.
13. The department is expected to take steps for encouraging the students for increased participation in NSS and different cultural activities.
14. MoUs should be signed with local/national/international institutions of repute for academic collaboration.
15. Department should start some value-added courses to make students globally employable.
16. The Department should take some initiatives for students/research scholars exchange with different research bodies/agencies like ICSSR, etc.
17. Department should conduct some popular lectures on importance of game, indigenous game, physical fitness, yoga & wellbeing, self-defence, etc.
18. Student-teacher ratio should be increased for optimum utilization of resources; therefore, new programme/diploma courses should be started.
19. Lab and sports facilities are to be created for research and practice

Department of Psychology

1. Academic calendar of the Departmental activities is to be prepared.
2. A holistic multiple disciplinary curricula for various programme/courses should be offered by the dept keeping in mind of multiple entries and multiple exist.
3. ICT-based classes should be conducted/promoted by the faculty in the Dept.
4. More emphasis on developing E-learning materials/content in the light of achieving the target of NEP 2020
5. Innovative pedagogical practices and assessment techniques should be developed by faculty to transform theory into practices.
6. Capacity building programme (FDP/RC/OC/Training Program/Workshop) should be conducted as required for National Mission for Mentoring.
7. A robust mechanism for student progression and alumni engagement should be developed.
8. Research publication and awards, consultancy, and collaboration for research should be promoted.
9. Publishing of Newsletters/Magazine at Dept level should be promoted.
10. The department should try to initiate not only the faculty exchange programme with national and international bodies even the students and research scholars exchange programme too.
11. Teachers should be encouraged for conducting frontline collaborative research from inter-department and inter-institutions.
12. Interaction with inter-department industry/research centres/educational institutions by the faculty should be encouraged.
13. The department is expected to take steps for encouraging the students for increased participation in NSS and different cultural activities.
14. MoUs should be signed with local/national/international institutions of repute for academic collaboration.
15. Department should start some value-added courses to make students globally employable.
16. The Department should take some initiatives for students/research scholars exchange with different research bodies/agencies like ICSSR, etc.
17. Lab facilities are to be created at high and broad level for improving the teaching and research.
18. Department should conduct some popular lectures on Guidance and counselling, wellbeing, stress management, life skills, etc.

Department of Mass communication and Media Studies

1. Academic calendar of the Departmental activities is to be prepared.
2. A holistic multiple disciplinary curricula for various programme/courses should be offered by the dept keeping in mind of multiple entries and multiple exist.
3. ICT-based classes should be conducted/promoted by the faculty in the Dept.
4. More emphasis on developing E-learning materials/content in the light of achieving the target of NEP 2020
5. Innovative pedagogical practices and assessment techniques should be developed by faculty to transform theory into practices.
6. Capacity building programme (FDP/RC/OC/Training Program/Workshop) should be conducted as required for National Mission for Mentoring.
7. A robust mechanism for student progression and alumni engagement should be developed.
8. Research publication and awards, consultancy, and collaboration for research should be promoted.
9. Publishing of Newsletters/Magazine at Dept level should be promoted.
10. The department should try to initiate not only the faculty exchange programme with national and international bodies even the students and research scholars exchange programme too.
11. Teachers should be encouraged for conducting frontline collaborative research from inter-department and inter-institutions.
12. Interaction with inter-department industry/research centres/educational institutions by the faculty should be encouraged.
13. The department is expected to take steps for encouraging the students for increased participation in NSS and different cultural activities.
14. MoUs should be signed with local/national/international institutions of repute for academic collaboration.
15. Department should start some value-added courses to make students globally employable.
16. The Department should take some initiatives for students/research scholars exchange with different research bodies/agencies like ICSSR, etc.
17. Different short-term course like story writing, animation creating and preparing e-learning material should start for students and teachers both.
18. Department should conduct some popular lectures on role of media in education, social development, and contemporary issues.

Department of Commerce

1. Academic calendar of the Departmental activities is to be prepared and uploaded on the university website.
2. A holistic multiple disciplinary curricula for various programme/courses should be offered by the dept keeping in mind of multiple entries and multiple exist.
3. ICT-based classes should be conducted/promoted by the faculty in the Dept.
4. More emphasis on developing E-learning materials/content in the light of achieving the target of NEP 2020
5. Innovative pedagogical practices and assessment techniques should be developed by faculty to transform theory into practices.
6. Capacity building programme (FDP/RC/OC/Training Program/Workshop) should be conducted as required for National Mission for Mentoring.
7. A robust mechanism for student progression and alumni engagement should be developed.
8. Research publication and awards, consultancy, and collaboration for research should be promoted.
9. Publishing of Newsletters/Magazine at Dept level should be promoted.
10. The department should try to initiate not only the faculty exchange programme with national and international bodies even the students and research scholars exchange programme too.
11. Teachers should be encouraged for conducting frontline collaborative research from inter-department and inter-institutions.
12. Interaction with inter-department industry/research centres/educational institutions by the faculty should be encouraged.
13. The department is expected to take steps for encouraging the students for increased participation in NSS and different cultural activities.
14. MoUs should be signed with local/national/international institutions of repute for academic collaboration.
15. Department should start some value-added courses to make students globally employable.
16. The Department should take some initiatives for students/research scholars exchange with different research bodies/agencies like ICSSR, etc.
17. Department should conduct some popular lectures on contemporary issues/ policy document like GST, Taxation, and Financial Budget.

Internal Academic Audit Report

(2020-21)

Internal Academic Audit 2021 of all the Academic Departments was scheduled online from Jan 2021 to Feb 2021.

HEIs to conduct self-assessment and internal academic audits to come up with a gap analysis to identify programs that can be converted into a multidisciplinary liberal education framework. The detailed report is as follows:

Department of Hindi

1. The Department has been suggested to develop holistic multiple disciplinary curriculum for various programme/courses keeping in mind of the need and aspirations of 21st-century generations.
2. ICT-based classes should be conducted/promoted by the faculty in the Dept.
3. Innovative pedagogical practices and assessment techniques should be developed by faculty.
4. Answer scripts of IA and End Term should be shown to the students for maintaining transparency.
5. Capacity building programme (FDP/RC/OC/Training Program/Workshop) should be conducted.
6. Student progression and alumni engagement should be developed.
7. Research publication and awards, consultancy, and collaboration for research should be promoted.
8. Publishing of Newsletters/Magazine at Dept level should be promoted.
9. The department should try to initiate not only the faculty exchange programme with national and international bodies even the students and research scholars exchange programme too.
10. Teachers should be encouraged for conducting frontline collaborative research from inter-department and inter-institutions.
11. MoUs should be signed with local/national/international institutions of repute for academic collaboration.
12. The Department should try to increase the enrolment in the PG programme.

Department of English

1. The Department has been suggested to develop holistic multiple disciplinary curriculum for various programme/courses keeping in mind of the need and aspirations of 21st-century generations.
2. ICT-based classes should be conducted/promoted by the faculty in the Dept.
3. Innovative pedagogical practices and assessment techniques should be developed by faculty.
4. Answer scripts of IA and End Term should be shown to the students for maintaining transparency.

Department of Mass communication and Media Studies

1. Academic calendar of the Departmental activities is to be prepared.
2. The Department has been suggested to develop holistic multiple disciplinary curriculum for various programme/courses keeping in mind of the need and aspirations of 21st-century generations.
3. ICT-based classes should be conducted/promoted by the faculty in the Dept.
4. Innovative pedagogical practices and assessment techniques should be developed by faculty.
5. Answer scripts of IA and End Term should be shown to the students for maintaining transparency.
6. Capacity building programme (FDP/RC/OC/Training Program/Workshop) should be conducted.
7. Publishing of Newsletters/Magazine at Dept level should be promoted.
8. The department should try to initiate not only the faculty exchange programme with national and international bodies even the students and research scholars exchange programme too.
9. Teachers should be encouraged for conducting frontline collaborative research from inter-department and inter-institutions.

10. The Department should take some initiatives for students/research scholars exchange with different research bodies/agencies like ICSSR, etc.
11. Different short-term course like story writing, animation creating and preparing e-learning material should start for students and teachers both.

Department of Commerce

1. Academic calendar of the Departmental activities is to be prepared and uploaded on the university website.
2. The Department has been suggested to develop holistic multiple disciplinary curriculum for various programme/courses keeping in mind of the need and aspirations of 21st-century generations.
3. ICT-based classes should be conducted/promoted by the faculty in the Dept.
4. Innovative pedagogical practices and assessment techniques should be developed by faculty.
5. Answer scripts of IA and End Term should be shown to the students for maintaining transparency.
6. Capacity building programme (FDP/RC/OC/Training Program/Workshop) should be conducted.
7. Interaction with inter-department industry/research centers/educational institutions by the faculty should be encouraged.
8. Publishing of Newsletters/Magazine at Dept level should be promoted.
9. The department should try to initiate not only the faculty exchange programme with national and international bodies even the students and research scholars exchange programme too.
10. Teachers should be encouraged for conducting frontline collaborative research from inter-department and inter-institutions.
11. The Department should take some initiatives for students/research scholars exchange with different research bodies/agencies like ICSSR, etc.
12. Department should conduct some popular lectures on contemporary issues/ policy document like GST, Taxation, and Financial Budget.

Internal Academic Audit Report

(2019-20)

Internal Academic Audit 2020 of all the Academic Departments was scheduled online from Jan 2020 to Feb 2020.

HEIs to conduct self-assessment and internal academic audits to come up with a gap analysis to identify programs that can be converted into a multidisciplinary liberal education framework. The detailed report is as follows:

Department of Hindi

1. The Department has been suggested to develop holistic multiple disciplinary curriculum for various programme/courses.
2. Capacity building programme (FDP/RC/OC/Training Program/Workshop) should be conducted.
3. The department should try to initiate not only the faculty exchange programme with national and international bodies even the students and research scholars exchange programme too.
4. Teachers should be encouraged for conducting frontline collaborative research from inter-department and inter-institutions.
5. The Department should try to increase the enrolment in the PG programme.

Department of English

1. The Department has been suggested to develop holistic multiple disciplinary curriculum for various programme/courses keeping in mind of the need and aspirations of 21st-century generations.
2. Innovative pedagogical practices and assessment techniques should be developed by faculty.
3. Capacity building programme (FDP/RC/OC/Training Program/Workshop) should be conducted.
4. Interaction with inter-department industry/research centers/educational institutions by the faculty should be encouraged.
5. The department should try to initiate not only the faculty exchange programme with national and international bodies even the students and research scholars exchange programme too.
6. Department should start some value-added courses to make students globally employable especially soft skills and personality development.

Department of Economics

1. Academic calendar of the Departmental activities is to be prepared.
2. The Department has been suggested to develop holistic multiple disciplinary curriculums for various programme/courses keeping in mind of the need and aspirations of 21st-century generations.
3. Innovative pedagogical practices and assessment techniques should be developed by faculty.
4. Answer scripts of IA and End Term should be shown to the students for maintaining transparency.

5. Capacity building programme (FDP/RC/OC/Training Program/Workshop) should be conducted.
6. The Department should take some initiatives for students/research scholars exchange with different research bodies/agencies like ICSSR, etc.
7. Department should conduct some popular lectures on contemporary issues/ policy document like GST and India's Economy.

Department of Political Science

1. Academic calendar of the Departmental activities is to be prepared.
2. The Department has been suggested to develop holistic multiple disciplinary curriculum for various programme/courses keeping in mind of the need and aspirations of 21st-century generations.
3. Innovative pedagogical practices and assessment techniques should be developed by faculty.
4. Capacity building programme (FDP/RC/OC/Training Program/Workshop) should be conducted.
5. The department should try to initiate not only the faculty exchange programme with national and international bodies even the students and research scholars exchange programme too.
6. The Department should take some initiatives for students/research scholars exchange with different research bodies/agencies like ICSSR, etc.
7. Efforts through faculty should be made to increase the enrolment of students in the programme.

Department of Sociology

1. Academic calendar of the Departmental activities is to be prepared and uploaded on the website.
2. The Department has been suggested to develop holistic multiple disciplinary curriculum for various programme/courses keeping in mind of the need and aspirations of 21st-century generations.
3. Innovative pedagogical practices and assessment techniques should be developed by faculty.
4. Capacity building programme (FDP/RC/OC/Training Program/Workshop) should be conducted.
5. The department should try to initiate not only the faculty exchange programme with national and international bodies even the students and research scholars exchange programme too.
6. Department should conduct some popular lectures on contemporary issues, constitutional values and Indian knowledge system.
7. Efforts through faculty should be made to increase the enrolment of students in the programme.

Department of Development Studies

1. Academic calendar of the Departmental activities is to be prepared and uploaded on the website.
2. The Department has been suggested to develop holistic multiple disciplinary curriculum for various programme/courses keeping in mind of the need and aspirations of 21st-century generations.
3. Innovative pedagogical practices and assessment techniques should be developed by faculty.
4. Capacity building programme (FDP/RC/OC/Training Program/Workshop) should be conducted.
5. The department should try to initiate not only the faculty exchange programme with national and international bodies even the students and research scholars exchange programme too.
6. The Department should take some initiatives for students/research scholars exchange with different research bodies/agencies like ICSSR, etc.
7. Department should conduct some popular lectures on contemporary issues, writing analytically, communication skills and Lok vidya, etc.
8. Efforts through faculty should be made to increase the enrolment of students in the programme.

Department of History

1. Academic calendar of the Departmental activities is to be prepared and uploaded on the website.
2. The Department has been suggested to develop holistic multiple disciplinary curriculum for various programme/courses keeping in mind of the need and aspirations of 21st-century generations.
3. Innovative pedagogical practices and assessment techniques should be developed by faculty.
4. Capacity building programme (FDP/RC/OC/Training Program/Workshop) should be conducted.
5. The department should try to initiate not only the faculty exchange programme with national and international bodies even the students and research scholars exchange programme too.
6. MoUs should be signed with local/national/international institutions of repute for academic collaboration.
7. Efforts through faculty should be made to increase the enrolment of students in the programme.
8. Department should conduct some popular lectures on contemporary issues, and Heritage of Indian Culture.

Department of Law and Governance

1. The Department has been suggested to develop holistic multiple disciplinary curriculum for various programme/courses keeping in mind of the need and aspirations of 21st-century generations.
2. Innovative pedagogical practices and assessment techniques should be developed by faculty.

3. Capacity building programme (FDP/RC/OC/Training Program/Workshop) should be conducted.
4. Interaction with inter-department industry/research centers/educational institutions by the faculty should be encouraged.
5. The department should try to initiate not only the faculty exchange programme with national and international bodies even the students and research scholars exchange programme too.
6. The Department should take some initiatives for students/research scholars exchange with different research bodies/agencies like ICSSR, etc.
7. Department should conduct some popular lectures on contemporary issues, constitutional values and IPR.

Department of Teacher Education

1. Academic calendar of the Departmental activities is to be prepared.
2. The Department has been suggested to develop holistic multiple disciplinary curriculum for various programme/courses keeping in mind of the need and aspirations of 21st-century generations.
3. Innovative pedagogical practices and assessment techniques should be developed by faculty.
4. Capacity building programme (FDP/RC/OC/Training Program/Workshop) should be conducted.
5. The department should try to initiate not only the faculty exchange programme with national and international bodies even the students and research scholars exchange programme too.
6. MoUs should be signed with local/national/international institutions of repute for academic collaboration.
7. The Department should take some initiatives for students/research scholars exchange with different research bodies/agencies like ICSSR, etc.
8. Department should conduct some popular lectures on MOOCs, Educational Resource Creation and for increasing the awareness on latest policy documents like implementation of NEP 2020 and NCF etc.

Department of Physical Education

1. Academic calendar of the Departmental activities is to be prepared and uploaded on the university website.
