

### How to connect the Wi-Fi Network

There are two Wi-Fi networks in the University campus "CUSEB1" and "CUSEB2 (Bihar Campus Wi-Fi)". You may connect any network as per available signal strength in your area.

#### **A. CUSEB1:**

1. Search the Wi-Fi network in your Wi-Fi enabled device and connect the **(CUSEB1)**

2. Run the Internet browser program and open the any website i.e. [www.google.co.in](http://www.google.co.in). A captive portal<sup>1</sup> will be display asking ID and Password.

3. Enter the ID and Password as provided by University Computer Centre and click **(Continue)** button.
