

How to connect the Wi-Fi Network

There are two Wi-Fi networks in the University campus “CUSB1” and “CUSB2 (Bihar Campus Wi-Fi)”. You may connect any network as per available signal strength in your area.

A. CUSB1:

1. Search the Wi-Fi network in your Wi-Fi enabled device and connect the **[CUSB1]**.

2. Run the Internet browser program and open the any website i.e. www.google.co.in. A captive portal¹ will be display asking ID and Password.

A screenshot of a captive portal login page. At the top, there is a logo of the Central University Of South Bihar. Below the logo, the text "Central University Of South Bihar" is displayed. Underneath, it says "Please enter your username and password to continue." There are two input fields: "Username:" and "Password:". Below the "Password:" field, there is a "Continue" button.

3. Enter the ID and Password as provided by University Computer Centre and click **[Continue]** button.
