6. Dr. Pawan Kumar	Member
7. Dr. Rakesh Yadavakanta	Member
8. Dr. Anshu Rani	Member
9. Mr. Rani	Member

The following key suggestions were offered by the members present in the meeting:

1. Skill based courses can be introduced for the department as well as other departments students depending on the availability of the faculty in the department.
2. Multidisciplinary courses need to be introduced so as to provide students with broad out training.
3. Courses like Basic Accounting, Basic Statistics can be introduced under the Mandatory Non Elective and Elective Courses.
4. In case of Open Elective based course paper needs to be introduced in addition to already existing papers.
5. In case of marketing subject as it is either core elective or discipline based core elective it should be kept as open elective by offering more variants like Agricultural Marketing, Food Based Marketing.
6. Courses like Stock Market Trading should also be offered.
7. Courses should be designed in such a manner that it sets the standard at national and international level.
8. Rigorous proof reading is required.
9. Contemporary issues in all the subjects concerned needs to be introduced.
10. Case studies based teaching needs to be introduced in the method of teaching.
11. Workshops needs to be organized from the syllabus.
12. Guest SEM needs to be introduced in the discipline based core subject in SEM.
13. Certificate courses needs to be introduced as extended thesis.
