Dr. Pranveer Singh could not attend the meeting due to his ill health.

Dr. Ram Pratap Singh, Chairperson, welcomed all members, and briefed about the requirements of syllabus revision of ongoing M.Sc. and Ph.D. course as per the model

framework developed for implementation of National Education Policy – 2020 by Task Force for Implementation of NEP-2020.

Following points were discussed:

- 1) The revised MSc Life Science and Ph.D. Life Science course structure and syllabi were placed before the BoS members for their suggestions.
- 2) Members of BoS thoroughly reviewed the proposed syllabi, provided inputs wherever needed and agreed on the proposed overall course structure of the M.Sc. Life Science and Ph.D. Life Science.
- 3) The suggestions related to course content were discussed and accordingly incorporated in the proposed syllabi of subject specific core courses. In addition, a few new subject specific elective courses are proposed along with Research Methodology and other skill based courses
- 4) The feedback received from different stack holders were discussed and considered by BoS.
- 5) Members empowered the department committee to adopt/modify the course coding, and pattern of question paper based on the direction from the CUSB.
- 6) Any further change in the BoS related documents shall be communicated through email to the experts for approval, if required.

The meeting ended with vote of the thanks to external, cognate and other members for all the efforts to improve/update the syllabus.
