

ANNEXURE-B

Central Instrumentation Facility Sample Analysis Charges (in INR)

Sr. No.	Name of instrument mentioned in IIR	Type of service	Cost per sample analysis for selected analytes	Cost per sample analysis for selected heavy analytes	Cost per sample analysis for other laboratory facilities	Cost per sample analysis for Analytical facilities (ICP, GC, HPLC, etc.)	Cost per sample analysis for Instrument
1	Atomic Absorption Spectrophotometer	Using flame (per sample per element)	20	20	200	100	100
		Using graphite furnace (per sample per element)	20	20	200	200	200
		GC-MS (per sample per element)	20	20	200	200	200
2	Gas Chromatography mass spec (GC-MS)	GC-MS (per sample)	20	20	150	100	100
		per sample per hour	20	20	150	200	200
3	Gas Chromatography mass spec (GC-MS)	GC-MS (per sample including reagents, worth up to 10000 per sample)	20	20	150	200	100
		GC-MS (per sample including reagents, worth up to 10000 per sample)	20	20	150	200	100
		GC-MS (per sample including reagents, worth up to 10000 per sample)	20	20	150	200	100
		GC-MS (per sample including reagents, worth up to 10000 per sample)	20	20	150	200	100
4	Instrument calibration and maintenance		100	100	100	100	100
5	Instrument calibration sample preparation	Reagents	10	100	100	100	100
6	Reagents	per liter	10	10	10	10	100
7	Gas Chromatography mass spec	Per sample (1000)	20	20	100	100	100
		Per sample (1000)	20	20	100	100	100
8	GC-MS (per sample)	Per 10000	100	100	100	100	100
		Per 10000	10	10	100	100	100
9	Reagents of heavy analytes and for Analytical Charges	per liter	10	10	10	10	100

Note:

- The user should provide standard reference compound (reagents) for the analysis.
- Disruption of the result output, analysis cost will be charged. In case, if multiple runs are required to achieve a single sample, extra charges may be levied.
- For external users, @ 10.00 % GST or above (as per the prevailing norms) will be applicable in the above rate list. Please add courier and CD charges (in INR).
- Sample requirement from the user instrument is available in the form of certificate (C).
- After successful submission of final sample requirement form and payment, the samples should reach CD within seven working days along with a copy of acknowledgement receipt.
- Ref (V), 2023 will be updated on a regular interval based on the need.
