

SECTION 101-10

It is the policy of the Board of Health to ensure that all health care facilities and health care personnel who are licensed by the Board of Health are subject to the same standards of care and practice as all other health care facilities and health care personnel.

It is the policy of the Board of Health to ensure that all health care facilities and health care personnel who are licensed by the Board of Health are subject to the same standards of care and practice as all other health care facilities and health care personnel.

The Board of Health should be authorized to enforce the standards of care and practice.
