

Three days  
National e-conference  
on  
**“Viksit Bharat@2047: Role of Library”**

The e-conference will include:

- (a) *Keynote Presentations* where renowned speakers will provide in-depth insights into the transformative potential of libraries in the context of Viksit Bharat@2047.
- (b) *Poster presentation and discussion* where participants will be encouraged to create posters showcasing vision for the libraries, initiatives, or research relevant to the e-conference theme.

*Purpose of the e-conference:*

The national e-conference aims to foster a collaborative and informed community that actively contributes to the realization of Viksit Bharat@2047 through the transformative potential of libraries.

*Need of the e-conference:*

Rajarshi Janak Central Library at the Central University of South Bihar has chosen to conduct three days national e-conference on "Viksit Bharat@2047: Role of library" for several compelling reasons:

**1. Alignment with Institutional Vision:**

The e-conference aligns with the overarching vision and mission of the Central University of South Bihar. It demonstrates the institution's commitment to

fostering intellectual development, innovation, and contributing to national goals, as outlined in Viksit Bharat@2047.

## **2. Contribution to National Development Goals:**

The e-conference reflects the library's dedication to contributing actively to the developmental goals set by Viksit Bharat@2047. It underscores the belief that libraries play a crucial role as catalysts for societal and intellectual development, thereby supporting the broader national agenda.

## **3. Advocacy for Transformative Libraries:**

The event serves as an advocacy platform for promoting the transformative potential of libraries. By conducting this e-conference, the Rajarshi Janak Central Library aims to emphasize the importance of libraries as dynamic and adaptive entities that actively contribute to the changing educational and societal landscape.

## **4. Policy Discourse and Impact:**

By addressing policy implications, challenges, and solutions within the context of Viksit Bharat@2047, the e-conference contributes to informed policy discussions. It aims to influence and shape policies that support the continued transformation of libraries as catalysts for national development.

## **5. Inspiring Future Initiatives within the Institution:**

The e-conference intends to inspire and motivate the staff and students of the Central University of South Bihar to initiate and actively participate in future library-related initiatives. It fosters a sense of enthusiasm and commitment to transformative practices within the institution.

### *Participation:*

The three days national e-conference on the theme "Viksit Bharat@2047: role of library" is designed to be inclusive and welcomes participation from a diverse range of stakeholders involved in the field of libraries, education, research, and policymaking. The following individuals and groups are encouraged to participate:

### **1. Librarians and Information Professionals**

2. **Academicians and Researchers** interested in the intersection of libraries and national development are encouraged to participate.
3. **Students** pursuing library science, information science, or related disciplines are welcome to attend.

There is no any registration fee for participation in the national e-conference however, we have a limited 60 seats in the e-conference and preference will be given to the participants interested in poster presentation.
