Annual Accounts

- (A) Separate Audit Report
- (B) Balance Sheet for 2014-15

PREFACE

I am happy to present the Annual Report for the year 2014-15 of the Central University of South Bihar (CUSB) incorporating various academic, co-curricular and physical infrastructure development activities both at University's temporary and permanent campuses at Patna and Gaya. Before proceeding ahead, let me inform that as per Gazette of India notification published by Ministry of Law & Justice on 18th December, 2014 the name of the University has been changed to Central University of South Bihar from Central University of Bihar. As per the amendment made in Central Universities Act, 2009, not only the name of university is changed but also its territorial jurisdiction has been limited to the region lying south of the River Ganges in the state of Bihar.

This edition of Annual Report becomes special in many ways as the University has completed five years of successful journey with a number of achievements. Since its establishment in 2009, the University has carved a niche for itself in the field of higher education in the state of Bihar and country as well. Most significantly the University has also made its representation at various international platforms through participation of faculty members in conferences, workshops, etc. Hence the motto of the University i.e "collective reasoning" is not just restricted to India, it is already spread to many countries in the world. Of course, the main stake-holders behind exponential growth of the University is the entire CUSB fraternity comprising of abled administrative leaders, faculty members, students and staff.

I am quite pleased to share that the University has received recognition from the statutory bodies for offering technical and professional courses. The All India Council for Technical Education (AICTE) has given its nod to offer the ongoing M.Tech in Computer Science programme. The University got the approval for running the ongoing 4-year Integrated BA B.Ed & BSc B.Ed programmes from the National Council for Teacher Education (NCTE). Similarly, the Bar Council of India (BCI) approved the ongoing 5-year Integrated BA LLB (Hons) & BSc LLB (Hons) programmes run by the university. Thereby, making the University eligible to apply for NAAC accreditation. I am happy to inform that the University has successfully applied to NAAC and we are expecting to be assessed and accredited with a good grade by the end of January, 2016.

In these five years, the University's academic curriculum, which started with MA in Development Studies programme in 2009, today offers a variety of courses. In these years, five undergraduate programmes, 16 postgraduate programmes and Integrated MPhil-PhD programmes in many disciplines have been added. In fact, many of the passed out students have made successful career in their respective fields and are valuable assets for the University. The major achievement this year is several students got placements / job opportunities in different organisations. From the academic session 2015-16 the University has started the B.Voc (Arts & Crafts) programme under the School of Vocational Studies with the aim to preserve the age-old culture and tradition of arts and crafts in the country. With this course the University intends to bring the skilled artisans at a big platform, where they can share their creative work with the nation. The students enrolled in this course can achieve self-confidence and get appropriate jobs and even become good entrepreneurs. I am also proud to mention that during this period many of the faculty members have received grants from various

sources like UGC, SERB, BARC, DST, IBM, etc. for running the research projects and the research work is going on very successfully.

One of the major and most awaited achievement of the University has been the commencement of the infrastructure development work at University's 300 acres land at Panchanpur in Gaya. Although the Bhoomi Pujan and Campus foundation laying ceremony by Smt. Meira Kumar, the Hon'ble Chancellor was done on 27th February, 2014, it was after a gap of approximate 18 months, finally the foundation stones of seven-buildings were laid down by Smt. Smriti Zubin Irani, the Hon'ble Minister Human Resource Development on 31st August, 2015. As of now, the boundary wall construction work is almost completed and the building construction work is in full swing. We are hoping to function from our own campus at Panchanpur from 2016-17 session. Funds are available for infrastructure development work with the University, but not sufficient for completion of next phases of work. We are looking ahead for receiving adequate fund from the University Grants Commission (UGC).

Despite challenges faced during it's five years journey, full of roller-caster rides, CUSB is quite optimistic and looking forward to accept the challenges and proceed ahead on the path of academic excellence. With our state-of-the art laboratories, teaching pedagogies practiced by faculty members and highly energized students, CUSB is poised to achieve new heights in the coming time. And, once the University shifts into its own eco-friendly campus amidst soothing environs, it would surely evolve itself as a 'centre for excellence' to serve the nation in many ways.

(Prof. Harish Chandra Singh Rathore)

Vice-Chancellor

Major Achievements at a Glance

The following are the major achievements of the University during the period 2014-15 at a glance:-

- **Accreditation from AICTE** – The University received the recognition from AICTE (All India Council for Technical Education) to offer the ongoing M.Tech in Computer Science programme.
- **Accreditation from NCTE** – The University got the recognition from NCTE (National Council for Teacher Education) for the ongoing four-year integrated BA B.Ed & BSc B.Ed programmes.
- **Accreditation from BCI** – The Bar Council of India (BCI) recognised the ongoing five-year Integrated BA LLB (Hons) & BSc LLB (Hons) programmes offered by the university.
- **New Academic Programme** – B.Voc (Arts & Crafts) has been introduced under School of Vocational Studies from 2015-16 academic session.
- **CUBET**– For the first time the University successfully conducted the online entrance test CUBET (Central University of Bihar Entrance Test) on May 30 & 31, 2014. The entrance test was held for admission to undergraduate, postgraduate and Integrated MPhil-PhD programmes offered by the university for academic session 2014-15. A total of 2127 candidates appeared in the online test conducted at 15 different centres across the country including Bihar and other states.
- **Faculty Achievements** – The faculty members have received grants from various funding agencies such as UGC, SERB, BARC, DST, IBM, DAE-BRNS, DBT etc.
- **Placements** – Many students of CUSB got job placements in renowned organisations of the country with a handsome salary package. Azim Premji Foundation, Care India (NGO), Carbon Check (India), etc. are the few of the famous organisations where CUSB students joined at different positions.
- **Fellowships** – Several students of the University received national fellowships by cracking / qualifying in prestigious tests. CUSB students qualified in SRF (Senior Research Fellowship), GATE (Graduate Aptitude Test in Engineering), UGC – JRF (Junior Research Fellowship) / NET (National Eligibility Test), Gandhi Fellowship are few among many other fellowships.
- **Infrastructure Development** – The boundary wall construction work at CUSB's 300 acres permanent campus started is almost complete. The construction work of University buildings is under progress.

Central University of South Bihar at a glance

Overview

The Central University of South Bihar (CUSB) is one among the sixteen newly established Central Universities by the Government of India under the Central Universities Act, 2009 (section 25 of 2009). The University is currently located in two campuses: Patna Campus (Birla Institute of Technology, PO: B. V. College, Patna – 800 014); and, Gaya Campus (Vinova Nagar, Chandauti, Magadh Medical College, Ward No. 29, Gaya - 823 001). The permanent campus is coming up at Panchanpur, about 12 kms away from Gaya.

Objectives

As stated in Section 5 of the Act, the objective of the University shall be:

“... to disseminate and advance knowledge by providing instructional and research facilities in such branches of learning as it may deem fit; to make special provisions for integrated courses in humanities, social sciences, and technology in its educational programmes; to take appropriate measures for promoting innovations in teaching-learning process and inter-disciplinary studies and research; to educate and train manpower for the development of the country; to establish linkages with industries for the promotion of science and technology; and to pay special attention to the improvement of the social and economic conditions and welfare of the people, their intellectual, academic and cultural development.”

A March Onward

On the recommendation of the Academic Council, the Executive Council of this University in its 2nd meeting held on January 9, 2010 approved 14 Schools. Since its inception in 2009, in pursuance of its objectives and considering the emerging needs of the society the University has grown up through different academic programmes. It made a modest beginning by establishing the Centre for Development Studies under the School of Social Sciences and Policy, which offers a 2-year Master of Arts in Development Studies. In the following Academic Year 2010-11, University launched 5 more PG programmes in Biotechnology, Computer Science, Environmental Science, Mathematics and Statistics. Three more PG programmes namely, Bioinformatics, Communication & Media Studies and Psychology were added in the Academic Year 2011-12. In the Academic Year 2012-13, seven new PG programmes, namely, Life Science, Economics, English, Hindi, Political Science & International Relations, Sociology and MTech in Computer Science were offered. In 2013-14, four new U.G programmes namely, 5-year Integrated BA.LLB (Hons) and BSc.LLB (Hons) and 4-Year Integrated BA.BEd and BSc.BEd programmes started along with Integrated MPhil-PhD Programme in Bioinformatics, Biotechnology, Computer Science, Development Studies, Economics, Environmental Science, Hindi, Life Science, Mathematics, Political Science & International Relations, and Statistics.

Salient Features of the Academic Programmes

(i) Semester System: Semester system is followed for all academic programmes to enlarge curricular space and encourage accelerated learning opportunities. This system further enhances ability to accommodate diverse choices that dynamic and motivated students may like to have. As per requirements of an academic programme, decisions regarding student-faculty contact hours during a semester in different programmes, developing the Credit system determining the quantum of learning, time-distribution on class room work, elements of participatory teaching-learning process, field-work, lab-work, and other curricular work are taken by the academic bodies of the University.

(ii) Choice Based Credit System (CBCS) : Choice Based Credits System (CBCS) has some unique features like enhanced learning opportunities, ability to match student's scholastic needs and aspirations, horizontal intra and inter School/Centre mobility of students, inter-institutional transferability of students, improvement in educational quality and excellence, flexibility for working students to complete the programme over an extended period of time, innovation and comparability of educational programmes across the country. CBCS will facilitate vertical integration of knowledge and holistic development.

(iii) Evaluation System: 'Continuous Internal Evaluation' is the central feature of the evaluation system of this University. A teacher who offers the course is the best person to assess performance of the students. However, there is an End-semester evaluation, and to ensure transparency, fair-play and accountability, appropriate mechanisms have been devised.

(iv) Infrastructure and ambience: All appropriate steps are taken to create and maintain infrastructure for quality teaching and research as per requirements. All Science laboratories are equipped with modern scientific gadgets and instruments with adequate funding support.

(v) Psychological Counselling and Guidance Services: Like physical health, mental health determines efficiency and productivity. Mental health is critically important for teaching-learning process, creativity, and congenial environment in academic institutions. The University adopts a forward looking approach and institutes psychological counselling and guidance services for students, faculty and employees. Innovative programmes like 'Crises Intervention Programmes' and 'Community Mental Health Programme' are planned to be developed. To facilitate learning, the motto of 'Learning Together' is encouraged and practiced.

(vi) Governance: The University has been evolving dynamic and transparent governance and need based capacity-building system. It is moving towards e-governance and continuous training of the personnel to make the University system 'user-friendly'. Thus, professional development of educational administrators is a necessary component for the capacity building of the University administration.

(vii) Planning, Monitoring and Evaluation: The Internal Quality Assurance Cell is to ensure progressive improvement in efficiency of the University administration. The Planning, Development and Monitoring Board (PDMB) with appropriate powers and functions is instituted as per the guidelines of the UGC.

(viii) Admission and National Character: UGC guidelines are followed in the University admission process. Efforts are made to have students from all over the country, and to achieve it admission entrance test is conducted on an all India basis.

(ix) Central University of Bihar Entrance Test (CUBET) 2014: An online entrance test was conducted though out India at different centres for admission to the various programmes offered in the University on 30th & 31st May, 2014.

Library

Central University of South Bihar has developed a well-equipped fully automated central library in both the campuses (Patna and Gaya) to cater the information requirements of students and faculty for their academic accomplishments. The library has built a collection of more than 21,416 books (Patna and Gaya) to support academic curriculum, teaching and research in various science and social science subjects. All the books are barcoded and are organized on shelves using Dewey Decimal Classification scheme. An Online Public Access Catalogue (OPAC) of library books along with a Digital Library is made available for students, faculty members and officials on every computer in the University premises.

Journals and Databases: The library subscribes to 103 quality print journals and magazines of renowned publishers from across the world and more than 8,000 online journals. Being a member of *UGC-Infonet Digital Library Consortium*, more than 4000 e-journals are available to the library from *Springer, Taylor & Francis, Annual Reviews, Project Muse, Wiley-Blackwell, Oxford University Press, Cambridge University Press* and Science Direct's 10 subject collections from Elsevier Inc. Library also subscribes to various e-journals packages i.e. *IEEE (ASPP+ POP) from IEEE and ACM Digital Library Package from ACM, USA for Computer Science, PsycARTICLES from American Psychological Association (APA) for Psychological Sciences*. Besides, library also subscribes to many online databases, *Manupatra* - (full text database for Law), *MathSciNet*—a bibliographic database for mathematical sciences; *JSTOR* - full-text database mainly for social sciences, *Indiastat* – a statistical database for development studies; and, *JCCC* – a general purpose bibliographic database.

Library Services: The library is open from 9:00 am to 6:00 pm on all working days. Library services include circulation (issue/return) of books, Inter-Library Loan through DELNET, New Delhi, Current Awareness Service (CAS) for books and journals, photocopy etc. Using OPAC, users can search for availability of books in library, current status of books, due date of return, reserve/hold book, etc. Access to all electronic information resources is available for students, faculty and officials on their computer within the university premises. Recently, access to these resources has been extended through Virtual Private Network (VPN); faculty members can now access online resources from anywhere. This facility is proposed to be extended, in near future, to students as well.

Computer Laboratory

ICT Infrastructure: Computer system facilitates a common computational resource for the academic programmes as well as computing resources in the University. The computer lab provides a central computing facility to the students, teachers and staffs of the University for their assignments, projects, dissertation and research related works. In computer lab, printing and scanning facilities are provided.

Internet & Intranet: Internet connectivity is provided under the scheme of National Mission on Education through Information and Communication Technology (NME-ICT) project of Government of India. All computers are connected through 1 Gbps Internet connectivity. The Intranet network, consisting of gigabyte Ethernet and OFC backbone provides connectivity to departments/centres, library, class rooms and administration. World class networking product of CISCO has been installed in campus network to provide stable and hassle free computing. All class rooms are equipped with multimedia projector, desktop computer with Internet access.

Resources: At present there are 349 high performance computers in the University. All computers are equipped with latest operating system and application software to cater to the academic needs. Computers are protected by firewall and reliable antivirus software against computer virus, malware and unauthorized access. University has licensed copies of software such SPSS, MATLAB, MINITAB, MS-Office, Adobe Creative Suite, QuarkXPress, Quick Heal Admin console, KOHA, Windows 7

Professional, Windows Server 2008 R, Red Hat Linux etc. The University has powerful online UPS to protect the computer and other sensitive devices from power fluctuation and surge.

E-Learning Tool (A-View): Under the NME-ICT scheme, A-VIEW Classroom has been providing opportunity to connect several universities together and creates virtual world for students. It also acts as a Knowledge Café where students can discuss /chat about the lecture after the live class.

Website: A fully functional Website of the university has been developed. It is maintained and updated regularly. URL of website is www.cub.ac.in

E-mail Facility: The University has powerful email system with group mail IDs of student and faculty. Email Id at University website is provided to each student, faculty & staff.

Summer Internship

Classroom learning combined with field based practical knowledge and hands-on practice can make the learning outcomes more robust and holistic. Considering the indispensable role of practice based learning, the University has introduced Summer Internship for various programmes. Internship provides opportunities for students to gain experience in their field, determine interest in a particular career, create network of contacts, and in which they may gain course credits as well. Summer Internship opportunities during the intervening period (during vacation) between the end of 2nd and beginning of 3rd semester, may have duration of up to eight weeks. Students are encouraged to identify, approach and finalize the institution/supervisor (within India only) well in advance of Summer Internship, preferably on the recommendation of the Centre/Department.

Educational Tours

As per the course requirements educational tours are organized. University provides financial assistance, if required, to students in the form of one-time to and fro non-AC sleeper class rail fair by the shortest route. For routes not connected by railways, travel assistance equal to the actual bus fare may be provided.

Hostel and Mess

Limited hostel and limited mess facilities for students are available at present both Patna and Gaya campuses. Separate hostels for boys and girls are maintained.

Health Centre

The University health centre provides treatment on a nominal fee for ordinary disorders and ailments under the supervision of resident doctors.

Vidyarthi Mediclaim Policy

Vidyarthi Mediclaim for students is a unique policy of National Insurance Company designed to provide health and personal accident cover to the students. All the students of the Central University of South Bihar are insured under this scheme whereby they are eligible for cashless treatment in authorized hospitals as well as for reimbursement of cost of treatment in other hospitals upto a limit of Rs. 50,000.

Scholarship

A number of Scholarship schemes are available for deserving and needy students as given below:

- (i) **Merit Scholarship to CUBET / Semester Toppers:** The University offers performance based Merit Scholarship to CUBET/ semester toppers under each programme in the University. Merit Scholarship @ Rs. 1,000 pm is awarded subject to minimum 75% class attendance in following semester.
- (ii) **Merit-cum-Means Scholarship:** The University encourages and supports meritorious students who are in need of financial assistance to pursue their studies smoothly through merit-cum-means scholarship. The scholarship is awarded in the form of waiver of tuition fee, upto 20% of students in each programme.
- (iii) **GATE Scholarship:** The University offers scholarship to its GATE qualified students admitted in MTech programme. GATE qualified students are provided AICTE scholarship.
- (iv) **Earn While You Learn (EWYL) Scheme:** EWYL is a unique scheme of the University aimed to encourage and support students to make them self-reliant and also develop better cooperation and leadership skills. Under the scheme, a student may be assigned a task for a maximum of 10 hours per week. This includes assistance in library, computer lab, laboratory, faculty, centre/department, office, Placement section and other specific requirements. Students are also provided with an experience certificate.
- (v) **Attendance Based Merit Scholarship:** An innovative scheme to increase classroom attendance is available for the students. Students achieving 100% attendance during a semester are provided book(s) of their choice/need or reimbursed up to Rs. 1,000 at once.

Committees

Following Committees are in place to deal with various issues and facets of Campus life.

1. Anti-Ragging Cell
2. Task Force for Women
3. Proctorial Board
4. Grievance Redressal Cell
5. Cultural Activities Committee
6. Games & Sports Committee
7. Career Counselling & Placement Cell

1.Schools and Centres/Departments

Hon'ble Smt. Prativa Devi Singh Patil, the former President of India in her capacity as the Visitor, in exercise of the powers vested in her under Section 27(3) of the Act, 2009 has been pleased to assent to the amendment to Statute 15 of the University (vide letter no. F. 42-26/2009-Desk (U) dated 28th July, 2010). Following 14 schools are approved and entered in the Statutes:

- 1) School of Mathematics, Statistics and Computer Science
 - 2) School of Physical and Chemical Sciences
 - 3) School of Earth, Biological and Environmental Sciences
 - 4) School of Technology
 - 5) School of Health Sciences
 - 6) School of Social Sciences and Policy
 - 7) School of Human Sciences
 - 8) School of Languages and Literature
 - 9) School of Media, Arts & Aesthetics
 - 10) School of Management
 - 11) School of Education
 - 12) School of Vocational Studies
 - 13) School of Law and Governance, and
 - 14) School of Agriculture and Development
- ❖ Out of 14 schools, at present nine schools are functional except School of Physical and Chemical Sciences, School of Management, School of Technology, School of Health Sciences and School of Agriculture and Development.

SCHOOL OF EARTH, BIOLOGICAL AND ENVIRONMENTAL SCIENCES

Centre for Biological Sciences

The Centre for Biological Sciences (CBS) is currently offering Integrated M.Phil-Ph.D. and Master's level Programmes in Biotechnology, Bioinformatics and Life Science. These Programmes include well-designed theory and practical courses. Innovation-based training is the key to train students with a special emphasis on understanding the basic as well as modern concepts in biological processes for pursuing research in frontier areas of Biological Sciences. Each of these three programmes equip students with deep theoretical as well as practical understanding of different aspects of Biological processes and promote them to take on an integrative approach for their studies and research. Centre for Biological Sciences is equipped with state-of-the-art technology and equipment that provide a stimulating environment for teaching and research.

Biotechnology

In the recent time, Biotechnology has emerged as a major thrust in the field of science and technology having potential to boost the economy of several countries including India. The voice of global Biotechnology in 21st century is to transfer the bio-based technology from "Lab to Land and from Bench to Business" to bring the cost of bio-based commodities within the reach of common man. Biotechnology department offers two-year postgraduate programme. It has interdisciplinary approaches with participation of faculty/researchers across the University. Hands-on training with

professional and management skills are keys to teaching pedagogy. This programme focuses on responsibility building and ethics in research and policy. The programme equally gives emphasis on integrated approaches in human health, transgenic crop development, environmental sciences and informatics. The course also comprises project dissertation, presentation and comprehensive viva-voce as part of evaluation system. Students also visit major research institutes in the form of educational tour and Biotechnology industries to learn various aspects of product developments. The department also offers Integrated MPhil-PhD programme which aims to train the candidate as fully competent to pursue research independently.

Centre / Department Head: Dr. Rizwanul Haque, Associate Professor

Faculty Profile

S. No	Name	Designation	Qualification	Specialisation
1	Dr. Rizwanul Haque	Associate Professor	PhD Immunotoxicology, Jamia Hamdard, New Delhi	Cellular Therapy, Immunomodulation, Stem Cell Differentiation, Discovery Proteomics etc.
2	Dr. Nitish Kumar	Assistant Professor	PhD, Botany, CSIR - Central Salt and Marine Chemicals Research Institute, Bhavnagar	Genetic manipulations of Plants; Plant Tissue Culture; Molecular marker development.
3	Dr. Krishna Prakash	Assistant Professor	PhD Molecular Biology, Jawaharlal Nehru University, New Delhi	Molecular Biology: Interferon (IFNs) Transcription factors, Signal Transduction and Disease.
4	Dr. Jawaid Ahsan	Assistant Professor	PhD Neurobiology, NCBS, TIFR, Bangalore	Molecular Biology, Genetics, Neuroethology, Neuroimaging, Electrophysiology etc.
5	Dr. Antresh Kumar	Assistant Professor	PhD Membrane Biology, Jawaharlal Nehru University, New Delhi	Biochemistry of Fungal Pathogens and Genesis of Secondary Metabolites.
6	Dr. Lokendra Kr. Sharma (through UGC-FRP)	Assistant Professor	PhD Biochemistry, CSIR-NBRI & University of Lucknow	Molecular Biology, Biochemistry, Mitochondria, Oxidative stress, Metabolism and Cancer.

1.	Dr. Rizwanul Haque	<ul style="list-style-type: none"> ➤ Given an invited presentation entitled "<i>Generation of Immune Cells from iPS cells</i>" at the Department of Pathology / Lab medicine, AIIMS, Patna during National Conference on Genetics and Stem Cell Research on 15th November, 2014.
2.	Dr. Krishna Prakash	<ul style="list-style-type: none"> ➤ Delivered a talk entitled "<i>Expression and DNA binding activity of chimeric murine Interferon Regulatory Factor-2 (IRF-2)</i>" under Centre for Biological Seminar series at Central University of Bihar, Patna on 25th August, 2014. ➤ Attended workshop on "<i>1-week hands-on Human /cancer cell culture techniques and MTT assay</i>" organized by International center for Stem cells, cancer and biotechnology (ICSCCB), Pune, during June 1-7, 2014.
3.	Dr. Jawaid Ahsan	<ul style="list-style-type: none"> ➤ Participated in the 11th UGC-NRC Workshop on 'Teaching and Learning Genetics with Drosophila' being conducted in Indian Institute of Science, Bangalore during 29th December, 2014 to 10th January, 2015. ➤ Participated in the Basic and Amateur level Scientific Photography Workshop organized by Nikon Schools on 26th April 2014 in Patna.
4.	Dr. Antresh Kumar	<ul style="list-style-type: none"> ➤ Participated in the 28 days Orientation Program training at Academic Staff College, Patna University during October 8, 2014 to November 4, 2014.
5.	Dr. Lokendra Kr. Sharma	<ul style="list-style-type: none"> ➤ Givel Oral Presentation entitled "<i>Role of Mitochondrial DNA Mutations and Dysfunction in Tumorigenesis</i>" at 5th International Conference on Stem Cells and Cancer (ICSCC-2014): Proliferation, Differentiation and Apoptosis, during November 08 - 10, 2014 at New Delhi, India. ➤ Given an invited presentation entitled "<i>Mitochondrial DNA Mutations in Cancer and Potential Therapeutic Approaches</i>" at National Conference on "Genetics and Stem Cell Research" Organized by Department of Pathology / Laboratory Medicine, All India Institute of Medical Sciences Patna, Bihar on 15th November, 2014.

Research Project Grant received

S. No	Name of Faculty	Achievements
1.	Dr. Nitish Kumar	Project Title: Molecular assessment of microbial diversity and their role in arsenic transformation and mobilization in arsenic contaminated groundwater of middle Ganga plain, Bihar, India. Funding agency : UGC, New Delhi Status: Completed
		Project Title: Molecular Characterization of Molecular Diversity in Makhana (<i>Euryale ferox</i>) Funding agency : SERB-DST, New Delhi Status: Ongoing
		Project Title: Genetic Improvement of Makhana (<i>Euryale ferox</i> Salisbury) through Gamma Radiation Funding agency : DAE-BRNS, Mumbai Status: Ongoing
2.	Dr. Lokendra Kr. Sharma	Grant: SERB-DST Young Scientist Grant Project Title: Investigating the mechanism of complex I specific mitochondrial DNA mutations in breast and colorectal cancer progression. Project N: SB/YS/LS-95/2013 Start Date: 01/09/2014 Amount: Rs. 19.10 Lakhs Period: For 3 years Funding Agency: Science and Engineering Research Board (SERB)-Department of Science and Technology (DST), Govt of India.

Other Achievements

S. No	Name of Faculty	Achievements
1.	Dr. Jawaid Ahsan	<ul style="list-style-type: none"> ➤ Selected for the Editorial Board of "Research and Reviews: A Journal of Neuroscience (RRJoNS)" of STM Journals. ➤ Selected for the Editorial Board of International Journal 'Frontiers in Neuroscience'.

		<ul style="list-style-type: none"> ➤ Selected for the Editorial Board of 'Evolutionary Psychology and Neuroscience', a specialty of the journal 'Frontiers in Neuroscience and Psychology'.
2.	Dr. Antresh Kumar	<ul style="list-style-type: none"> ➤ Invited as an external examiner for PhD viva-voce examination, Department of Biophysics, AIIMS, New Delhi on 14th June 2014.
3.	Dr. Lokendra Kr. Sharma	<ul style="list-style-type: none"> ➤ Editorial Board Member of Trends Journal of Sciences Research (TJSR) ➤ Peer Reviewer of European Journal of Molecular Biology (EJMB) ➤ Lead guest Editor of Cell Biology Journal and hosted a special issue on Mitochondria

Bioinformatics

Bioinformatics is a rapidly growing field of study that zeroes around at the interface of Biology and Information Technology. The Bioinformatics Programme consists of a good amalgamation of courses like Biology, Computer Science, Statistics, Mathematics and Physics. The students are trained for both dry and wet-lab techniques enabling them to better suit for different research laboratories and industries which look for personnel well-taught in programming languages, can do molecular modelling and also have abilities to work on bench producing raw data to analyse further using various Bioinformatics tools. Bioinformatics department offers two-year postgraduate programme and Integrated MPhil-PhD programme. The department gears the students towards research by not only providing them with basic understanding of the subject but also inculcates in them the thirst for applied research in frontiers area like Molecular Modelling, Simulation and Computer added drug designing, System Biology and Functional Genomics. Analytical techniques, management and analysis of Biological databases are also taught since there has been a paradigm shift in theoretical biology from reductionist approach of Molecular Biology to an integrative approach of treating the cell as a system.

Centre / Department Head: Dr. Rizwanul Haque, Associate Professor

Faculty Profile

S. No	Name	Designation	Qualification	Specialisation
1	Dr. Vijay Kumar Singh	Assistant Professor	PhD Molecular Medicine, University of Turin, Italy	Functional Genomics, Microarray data analysis
2	Dr. Krishna Kumar Ojha	Assistant Professor	PhD Bioinformatics, Banaras Hindu University, Varanasi	Computational Biology, Comparative Genomics of Prokaryotes, Molecular Dynamics of biomolecules etc.
3	Dr. Durg Vijay Singh	Assistant Professor	MTech and PhD Bioinformatics, IIIT Allahabad	Molecular Modeling & Simulation, Pharmacophore and QSAR modelling, etc.

4	Dr. Anil Kumar	Assistant Professor	PhD Biotechnology, IIT, Guwahati	Genome Annotation & Sequences Analysis, Computational Biology, etc.

S. No	Name of Faculty	Achievements
1.	Dr. Vijay Kumar Singh	➤ Given a Poster Presentation with Amrendra Kumar and Giovanna Chiorino on the topic " <i>Clinically relevant subtype of primary prostate cancer: A gene expression profile study</i> " at National Conference on Biotechnology and Human welfare: New Vistas organised by Department of Biotechnology, VBS Purvanchal University, Jaunpur, Uttar Pradesh during March 21-22, 2015.
2.	Dr. Anil Kumar	➤ Given a Poster Presentation with Verma RK, Pushan S on the topic " <i>Molecular docking studies on interaction of curcumin and its natural derivatives with human IKK-epsilon</i> " at National Conference on Biotechnology and Human welfare: New Vistas organised by Department of Biotechnology, VBS Purvanchal University, Jaunpur, Uttar Pradesh during March 21-22, 2015. ➤ Given a Poster Presentation with Kumar R,

		Sinha P, Kumar A on the topic “In silico studies on interaction of curcumin and its natural derivatives with human tyrosinase enzyme” at National Conference on Biotechnology and Human welfare: New Vistas organised by Department of Biotechnology, VBS Purvanchal University, Jaunpur, Uttar Pradesh during March 21-22, 2015.
3.	Dr. Krishna Kumar Ojha	<ul style="list-style-type: none"> ➤ Delivered an invited talk on PARAM Yuva super computer users at CDAC, Pune during January 8-9, 2015. ➤ Delivered an invited talk on Application of Bioinformatics at TBMU, Bhagalpur, during January 19 -21, 2015. ➤ Delivered an invited talk on High performance computing at RMRI, Patna on 27th March, 2015.

Other Activities / Achievements

S. No	Name of Faculty	Achievements
1.	Dr. Durg Vijay Singh	<ul style="list-style-type: none"> ➤ Successfully completed UGC orientation programme organised by the University of Allahabad during June 25 to July 22, 2014. ➤ Supervising “DST-Societal research fellow under KIRAN scheme” for the project entitled “Design and development of herbicide to regain sensitivity in <i>Phalaris minor</i> resistant biotypes”.
2.	Dr. Krishna Kumar Ojha	<ul style="list-style-type: none"> ➤ Successfully completed UGC orientation programme organised by the University of Allahabad during 25th June to 22nd July, 2014.

Life Science

The discipline of Life Science covers several areas of Biological Sciences including Biochemistry, Microbiology, Molecular Biology and Environmental Science related to “Life in Diversity”. It has a good balance of animal and plant sciences which broaden the student’s knowledge and capabilities and they have diverse options to choose for their future studies and research. Vaccine, various drugs, high yielding and stress tolerant varieties of crops and easily available clinical tests are few examples of impact of life sciences on the society. This programme promises to enable the students for innovative solutions to fundamental challenges related to

medicine, food, agriculture and environment. Life Science department offers two-year postgraduate programme and Integrated MPhil-PhD programme. The MSc Life Science is designed to give opportunity to learn modern biological techniques and provide an environment to understand various fields of basic and applied biology e.g. genetic engineering, immunology, recombinant DNA technology, protein crystallography, neurobiology, microbiology, cancer, malaria etc. This platform nurtures student's thinking to observe, analyse, interpret and utilize the biological techniques and phenomena in basic as well as applied fields.

Centre for Environmental Sciences

The Centre offers M.Sc. and Integrated M.Phil.-Ph.D. programme in Environmental Science which revolves around multidisciplinary and integrated study of the Earth, Atmospheric, Biological and Chemical processes and their linkages with developmental perspectives for attaining more sustainable environment. The focus includes complex interactions between the different components of nature (between and beyond disciplinary boundaries), impact on food security and associated ecosystem services in the immediate and long-term perspectives, besides environmental monitoring and management. The two-year (four semesters) postgraduate Programme is designed to provide necessary knowledge and skills to postgraduate students, so that they can learn to analyse and assess environmental systems and problems; be able to propose sustainable solutions and contribute to the development of policies and strategies for environmental planning.

Centre / Department Head: Dr. Pradhan Parth Sarthi, Associate Professor

Faculty Profile

S. No	Name	Designation	Qualification	Specialisation
1	Dr. Pradhan Parth Sarthi	Associate Professor	PhD Meteorology, Banaras Hindu University, Varanasi	Monsoon and Climate Variability; Climate modelling; Climate Change; Extreme Events

School of Mathematics, Statistics and Computer Science

Mathematics, Statistics and Computer Science have played a very important role in building up modern civilization by perfecting all sciences. The vision of the school is to provide quality education and to undertake and support the interdisciplinary research through interaction between Mathematics, Statistics and Computer Science and also with other domains of knowledge. It consists of three departments namely, the Department of Mathematics, the Department of Statistics and the Department of Computer Science. Setting a novel trend of interdisciplinary, the three departments under the School are not only educating and training their respective students but also help other disciplines in their regular as well as special courses by providing relevant skill to solve academic and technical issues.

Department of Mathematics

The Department of Mathematics (DMTH) is functioning with the objective of producing trained manpower for undertaking research and teaching in Mathematics and allied branches of basic and applied sciences. The department is committed to impart high quality education in Mathematics and currently offers a Master's programme, Integrated MPhil-PhD programme and a 4-year Integrated BSc.BEd degree programme with Mathematics as one of the course. The department also supports other departments by offering core and advanced courses in Mathematics.

Centre / Department Head: Dr. Rajesh Pratap Singh, Assistant Professor, Head (I/C)

Faculty Profile

S. No	Name	Designation	Qualification	Specialisation
1	Dr. Rajesh Pratap Singh	Assistant Professor	PhD, Mathematics, IIT Guwahati	Finite fields and Cryptography
2	Dr. Vivek Kumar Jain	Assistant Professor	D.Phil, Mathematics, University of Allahabad	Group Theory
3	Dr. Roushan Kumar	Assistant Professor	PhD Generalized Thermoelasticity, IIT BHU, Varanasi	Generalized thermoelasticity, Diffusion, Wave Propagation
4	Dr. Pankaj Mishra	Assistant Professor	PhD Mathematics, IIT BHU, Varanasi	Magnetohydrodynamics, Heat transport through fluids.
5	Dr. Shubh Narayan Singh	Assistant Professor	PhD Mathematics, IIT Guwahati	Algebraic Automata Theory, Graph Theory, Group and Semigroup Theory

S. No	Name of Faculty	Achievements
1.	Dr. Pankaj Mishra	<ul style="list-style-type: none"> ➤ Delivered a talk under weekly activity series on the topic Application of Mathematics in Science and technology organised by School of Education, Central university of Bihar, on 17th September, 2014.

Department of Statistics

The Department of Statistics (DSTS) is committed to provide a vibrant and creative learning environment to students willing to make a career in the field of core and interdisciplinary Statistics. The academic activities of the Department emphasize deep understanding of fundamental concepts and development of the analytical ability to solve problems, which are interdisciplinary in nature. It also encourages its students to engage in extra-curricular and co-curricular activities, essential for development, nurturing of team spirit and developing organizational skills. Classroom teaching of the Department is supported by tutorials and continuous evaluation system is followed to assess the

progress of the students. Small teacher - student ratio ensures individual attention to each student. There is a well-equipped computer laboratory with high speed Internet connection and softwares that include Minitab, SPSS, IBM Data Modeler, R, MATLAB to work with. There are as many as 50 computer terminals to facilitate the computational requirements. Both Windows and Linux OS are available. After successful completion of the course, the students can move forward to a career in research / teaching / industry. Presently the department offers two programmes namely Integrated MPhil – PhD in Statistics and MSc in Statistics

1.	Prof. Arun Kumar Sinha	➤ Supervised Mr. Jitendra Kumar successfully for the award of Ph.D. Degree in Statistics, Faculty of Science at Patna University. The result, bearing memo no. 14649-55, was declared on 16th December 2014.
2.	Dr. Mukesh Kumar	➤ Acted as co-ordinator of one day Workshop on "Latex" under Spoken Tutorial Project organized, at Central University of Bihar on 5th April, 2014.

Department of Computer Science

The Department of Computer Science (DCS) is offering integrated MPhil-PhD and two Master Programmes namely, MSc in Computer Science and MTech in Computer Science. It aims at providing opportunities for global excellence and local relevance in research, teaching and technology development. The department also offers several attractive training and workshop programmes along with industry tie up according to the market need.

School of Social Sciences and Policy

The School of Social Sciences and Policy embodies cohesiveness of multiple disciplines that seek its relevance in understanding and analysing human behaviour in an integrated framework. The school has four centres namely Centre for Development Studies, Centre for Economic Studies and Policy, Centre for Sociological Studies and Centre for Political Studies. It continuously endeavours to blend its teaching engagement with empirical research. Academic programmes based on the emerging debates both in the theoretical and empirical planes in respective disciplines also see its engagement in continuous search for building- up a new knowledge-base relevant to the developing world particularly. For teaching, research and training, the School of Social Sciences and Policy looks forward to learn from the development experiences of the world at large. In the process, it does not exclude the local economy, society and polity. Its agenda and implementation of the same by way of organising Seminar, Workshop and Development Dialogue embed the essence of the School.

Centre for Development Studies

The Centre for Development Studies was the first academic unit of this university since its very inception and hence offers a special thrust to its intellectual terrain. Its interdisciplinary nature makes it all the more exciting and versatile in a knowledge society like that of ours. Furthermore in 21st century India, Development Studies has emerged as a discipline incorporating gamut of changes in different frontiers like social-economic, political, cultural and human development as such. There are only a few institutions in India that train competent manpower required by national and international agencies engaged in the developmental sector. The demand for development professionals has been increasing with the expansion of the frontier of development interventions in the social sector. The Centre of Development Studies attempts to make unique contributions by training the budding agents for development and change, alongside preparing students who may opt for higher studies and look forward to a career in teaching profession.

----	---------------------	---

Centre for Economic Studies and Policy

The Centre for Economic Studies and Policy (CESP) looks at academic engagement with a difference. While the major focus is on teaching of basic principles of Economics, the centre's search is for new epistemology both in theory and practice. It continues to focus on improving its course curriculum based on the evolving theoretical paradigms being witnessed in the field of Economics by different schools of thought that have ontological bearings. The diverse knowledge base in Economics and its ramifications on society and polity continues to be a primordial source of choice for direction of research. The centre nurtures creative impulses of both faculty and students and continuously provides forums for developing critiques of existing theories and practices only to create a new space for the latter. While doing so, it contextualises emerging theoretical postulations at all levels including local, sub-regional, national and international. The centre aspires and attracts students and teachers to the Centre from all over the country and abroad to develop it as a unique centre of learning and develop collaboration with other institutions for teaching and research.

Centre for Political Studies

The Centre for Political Studies (CPS) strives to cover all aspects of the discipline in the context of traditional, modern and post-modern approaches. It emphatically identifies the new problem areas of the society and tries to offer a solution through teaching and research. The centre proposes to put political studies into practice to deconstruct the developmental issues related to the study of Political Science and International Relations. In its inter-disciplinary approach, the centre provides an opportunity to combine both theory and practice. The centre incorporates the academic programme in Political Science and International Relations to equip the students with the philosophical and theoretical perspectives in the Indian and Western traditions along with their practical applications. It continues to nurture motivation in students for the advancement of political analysis at all levels: regional, national and international. Presently the centre is running MA in Political Science and International Relations and Integrated MPhil-PhD programmes.

Centre for Sociological Studies

The Centre for Sociological Studies (CSS) was established in 2012 under the School of Social Sciences and Policy. The objectives of the centre are to engage in teaching as well as in research on theoretical, methodological and applied understanding emphasizing on inter-disciplinary approach. The centre seeks to explore various issues and problems related to the socio-cultural understanding in the context of national development for knowledge generation. The centre encourages students in learning and understanding the courses through active participation in and outside the classroom. Apart from the classroom teaching, students will be evaluated continuously on their active engagement through tutorial, book review, term paper/assignment, presentation, seminar, workshop, etc.

School of Human Sciences

The School of Human Sciences aims to study human beings as a social, cultural and biological species in the context of their experiences, activities, constructs and artifacts. The Human nature is not discipline bound and therefore the School emphasizes interdisciplinary approach to understand it. The school has a mission to pursue quality education and research for greater understanding of human nature and challenges faced by humanity. Disciplines like Anthropology, Psychology, Social work and other Social Sciences interactively may engage in research leading to knowledge system that serves the development of mankind. The objective of the school is to create advance scientific knowledge in various Human Sciences through research. The Centre for Psychological Sciences is established under the School of Human Sciences.

Centre for Psychological Sciences

With a vision to spread and create world class knowledge in the field of Psychology, the Centre for Psychological Sciences (CPSYS) recognizes the immense potential of Psychology, and its utility in improving quality of life of individuals and society. The mission of the Centre is to educate and train psychologists who can serve the humanity. It is presently offering Master’s programme in Psychology with specialization in Social Psychology, Organizational Behaviour, Clinical Psychology and Counselling Psychology.

Centre/Department Head: Dr. Narsingh Kumar, Assistant Professor, Head (I/C)

Faculty Profile

S. No	Name	Designation	Qualification	Specialisation
1	Dr. Narsingh Kumar	Assistant Professor	PhD Organizational Behaviour, IIT Guwahati	Organizational Behaviour, stress, burnout, PTSD, PTG, resilience, psychology of motivation and emotion
2	Dr. Das Ambika Bharti	Assistant Professor	PhD Psychology, Banaras Hindu University, Varanasi	Clinical Psychology, Health Psychology
3	Dr. Manglesh Kumar Manglam	Assistant Professor	PhD Clinical Psychology, Central Institute of Psychiatry, Ranchi	Clinical Psychology, Neuropsychology

School of Languages and Literature

Human civilization evolves through innumerable phases of language evolutions. Knowledge too in its resurgent march unfailingly walks hand in hand with languages to streamline learning. Creative endeavours representing human behaviour mould languages to shape literature. As signifier of lingual heritage, literature showcases cultural diversities to promote learning through textual interpretations. The inception of the School of Languages and Literature is grounded in the idea that the ever flowing stream called literature meanders around life to mirror multiple perspectives irrespective of language differences. Interdisciplinary approach as its prime thrust nurtures confidence in learners pertaining to growth in communication and representation skills. The School in its curriculum places 'Translation Studies' as a common academic concern with relative cultural dimension in context of pluralism in society. At present, the School of Languages and Literature stands as the academic edifice with its Centre for Indian Languages and the Centre for Foreign Languages.

Centre for Foreign Languages (English)

The Centre for Foreign Languages aims to create awareness amongst students to have inter-lingual approach for the proficient understanding of Languages and Literatures irrespective of Language boundaries and Region barriers. In order to continue to be successful with learning tasks in multiple academic relevance students are trained to remain aware of the strategies that can lead to the inculcation of skilful presentation and representation of ideas in oral and written modes. The objective as its prime prerogative simultaneously incorporates strategies for language proficiency as a major tool for cognitive development in varied contexts. Techno-sound strategies have been installed to meet the cotemporary requirements of challenging language tasks as one of the models for language learning. The Centre in its major focus streamlines the methodologies for teaching English as one of the foreign languages both in theory and in practice. The course aims at teaching Language and Literature in English representing historical scope, cultural diversity and various genres in socio-politico linguistic contexts. Apart from focusing on British, European, Indian and American Literatures written in English, the course includes new Literatures in English or in its translated versions. It also incorporates the theoretical base work of Literature which goes in the name of theories and criticism.

Completed and obtained grade “A”.

Centre for Mass Communication and Media

Centre for Mass Communication and Media has been established with an aim to promote quality media studies in higher education. Media is witnessing a steep growth country wide and there is an abundant demand of trained media professionals and academicians. The major thrust of the curriculum is to impart theoretical and practical knowledge of various aspects of media. The course is designed in such a way that it gives students an overall understanding of media with specialization in electronic journalism, electronic media production, online journalism and advance print. Industry training, institutional visits, field visits, live projects are integral component of the course. It abets the students in understanding the functioning of various media institutes and acquaints them with demanding media culture.

School of Law and Governance

Globalization has changed the legal landscape in emerging economies and blurred the boundaries between global and local. It has been transforming virtually every sector of the world's economy, and which have important implications for the rapidly globalizing market for legal services. Therefore, quality legal education is to be imparted to the law students taking into consideration the changing needs of the society and in the changing era of globalization. The traditional views of legal education and research have become relic of the past. Now, a lawyer is expected to serve not only within the country but outside our country. They are also expected to start their carriers with renowned global law firms and global law schools etc. Different opportunities are there before the law students now and these are ever widening e.g. legal actors, legislators, judges, civil servants, policy makers, lawyer in defense services, lawyer of banking and insurance sectors, corporate lawyers, corporate lobbyists, legal academicians and editorial writers, jobs in Legal Process Outsourcing(LPO) and many more.

Central University of South Bihar (CUSB) has adequate infrastructural facilities to provide the perfect ambience for interdisciplinary studies in law, in its true sense. School of law and governance, CUSB, is not only imbued with multidisciplinary approach to the legal studies and research but it is making genuine efforts to disseminate such approach to both the privileged and underprivileged learners and researchers of law and jurisprudence.

School of Education

Central University of South Bihar has gone ahead by launching Four-Year Integrated programmes in the two streams, viz. BA.BEd. and BSc.BEd. from the academic session 2013-14. Further, to cater the demand of quality teacher educators and researchers in the field of education, the school is looking forward to start research programmes and Special Education programmes. The goal of the school is to grow as an excellent hub with international identity for quality research and innovations in education by following best practices to bridge the gaps between theory and practice in teacher education and to work as nodal centre to spread such best practices in the whole state of Bihar. To achieve its goal, the school possess a team of able and sensitive teachers striving to promote high standards of knowledge, professional skills, cultural understanding, social responsibility and synergistic progress within a truly multicultural educational environment among the prospective teachers. It offers state-of-art curricula incorporating the modern thoughts in the field of teacher education. It also provides sensitization regarding the need, value and place of teaching profession through ample practical experiences.

(A reputed journal of American Chemical Society)</p> <p>Impact Factor: 5.45</p>

Participation in Seminar/Conference/Workshop

1.	Dr. Amiya Priyam	<ul style="list-style-type: none"> ➤ Delivered an invited lecture entitled “Tunable plasmonic nanomaterials for applications in SERS spectroscopy and enhanced luminescence imaging” during an International Conference on Emerging Materials Characterization and Applications at CGCRI-Kolkata, organized by CSIR-CGCRI and NIT Durgapur, during December 4-6, 2014.
----	------------------	---

Award / Accolades / Prize/ Fellowship received

S. No	Name of Faculty	Achievements
1.	Dr. Amiya Priyam	<ul style="list-style-type: none"> ➤ Received a token of appreciation for his invited lecture delivered in the international conference on Emerging Materials : Characterization and Applications, at CGCRI-CSIR Kolkata

Research Project Grant received

S. No	Name of Faculty	Achievements
1.	Dr. Amiya Priyam	<p>Project (i) Funding agency : Nano Mission,-DST, Govt. of India Amount: 48.4 lakhs</p> <p>Project (ii) Funding agency : DST, Govt. of India Amount: 27 lakhs</p> <p>Project (iii) Collaborative research Scheme of UGC-DAE Consortium for Scientific Research, Kolkata Centre. (Collaborator: Dr. Abhijit Saha, UGC-DAE CSR, Kolkata)</p>
2.	Dr. Girish Chandra	<p>Funding agency : DST, Govt. of India Amount: 23 lakhs</p>

Other Activities / Achievements

S. No	Name of Faculty	Achievements
1.	Dr. Amiya Priyam	<ul style="list-style-type: none"> ➤ Nominated as a member of American Chemical Society. (Membership no.: 30852383) ➤ Successfully supervised a PhD. (The student, Ms. Satarupa Pattanayak, was registered in Birla Institute of Technology, Mesra Ranchi in February 2011 and was awarded PhD in February 2015. Out of the thesis, two papers were published in Dalton Transactions, a reputed journal of Royal Society of Chemistry, London. ➤ Successfully supervised an undergraduate student's project. Under the mentorship of Dr. Amiya Priyam, the student (Mr. Sovan K. Patra, 8th semester B.E. Student from BIT, Mesra, Ranchi) received the students' project award by Materials Research Society of India (a reputed, learned society founded by Bharat Ratna, Prof. CNR Rao). The student presented his project work at the AGM meeting of MRSI held at University of Rajasthan in February 2015.

Physics

Faculty Profile

S. No	Name	Designation	Qualification	Specialisation
1	Dr. Akhilananda Kumar	Associate Professor	PhD Physics, Jawaharlal Nehru University, New Delhi	Superconductivity (theory), Nano-science and technology (theory), Metallic glasses (experimental).
2	Dr. Susanta Das	Assistant Professor	PhD Physics, Western Michigan University, USA	Nano Science, Surface Science, Material Science, Nano Technology

Publications (Books and Articles – National / International)

S. No	Name of Faculty	Achievements
1.	Dr. Susanta Das	<ul style="list-style-type: none"> ➤ S.Das, H.Ohashi, and N. Nakamura, "Study of Interactions of Slow Highly Charged Bismuth Ions with ZnO Nanorods", Transactions of the Indian Institute of Metals, Springer India

Research Project Grant received

S. No	Name of Faculty	Achievements
1.	Dr. Susanta Das	Project Name: UGC start-up grant Funding agency : UGC-FRP Amount: 6 lakhs

History**Faculty Profile**

S. No	Name	Designation	Qualification	Specialisation
1	Dr. Sudhanshu Kumar Jha	Associate Professor	PhD History, Patna University	Modern Indian History, Tribal History, Historiography

Publications (Books and Articles – National / International)

S. No	Name of Faculty	Achievements
1.	Dr. Sudhanshu Kumar Jha	➤ Jamshedpur Research Review, Multidisciplinary International Research Journal, English Quarterly has published paper entitled “ Dwindling forests: Increasing distress (State, Society, Forest and tribal women of Jharkhand)” Vol. 3, Issue IX, December 2014- February 2015, ISSN No. 23202750

Participation in Seminar/Conference/Workshop

S. No	Name of Faculty	Achievements
1.	Dr. Sudhanshu Kumar Jha	<ul style="list-style-type: none"> ➤ Participated as a panellist in a discussion on ‘India’s policy on neighbourhood’ organized by Centre of Political Studies in collaboration with Indian Council of World Affairs, New Delhi on 17th November, 2014. ➤ Presented a paper entitled ‘Buddhist philosophy in social context and its legacy’ under the weekly activities series, CUSB, Gaya campus on 27th August 2014. ➤ Participated as a panellist in a discussion on ‘The contribution of

		<p>Sardar Patel to National Security, Safety and Unity organized by CUSB, Gaya on 31st October, 2014.</p> <ul style="list-style-type: none"> ➤ Delivered a lecture on tribals and Human Rights in one day training Programme on “Human Rights”, Organized by School of Law and Governance, Central University of Bihar, In collaboration with National Human Rights Commission, New Delhi, on 13th February 2015. ➤ Presented a paper entitled ‘Bhartiya Parampara Me Prem: Chetna, Astitva, aur Anand’ in a seminar organized by Bhartiya Bhasha Kendra, CUSB, Gaya on 17th February, 2015.

Scholarships

The Central University of South Bihar has a number of Scholarship / Assistantship schemes for students which are mentioned below:

S. No.	Name of Students	Enrolment No.	Scholarship details
Integrated M.Phil-Ph.D (Session 2014-15 (enrolled in January- 2014))			
ENVIRONMENTAL SCIENCE			
1	Ms. Anshu Malika	1403285001	University
2	Mr. Diwakar Prakash	1403285002	University
3	Mr. Praveen Kumar	1403285003	DST
4	Mr Sunny Kumar	1403285004	IBM
COMPUTER SCIENCE			
5	Mr. Sushant Kumar	1402385001	University
6	Ms. Shikha Agarwal	1402385002	University
BIOTECHNOLOGY			
7	Mr. Arvind Kumar	1403185003	DST
8	Mr. Ghanshyam Kumar Satyapal	1403185002	UGC-RGNF
9	Ms. Nadra Sadaf	1403185003	University
10	Mr. Santosh Kumar Mishra	1403185004	University
ECONOMICS			
11	Ms. Ashi Rooth Stuart	1401285001	University
DEVELOPMENT STUDIES			
12	Mr. Ramesh Kumar Rajak	1401185001	University
13	Mr. Sharad Kumar Sharidendu	1401185002	University
HINDI			
14	Mr. Anand Kumar Patel	1408285002	University
Integrated M.Phil-Ph.D (Session 2014-15 (enrolled in July 2014))			

STATISTICS			
15	Pooja Kushwaha	CUB1402275001	University
MATHEMATICS

Merit cum Means Scholarship (MCM)

The University encourages and supports meritorious students who are in need of financial assistance to pursue their studies smoothly through merit cum means scholarship. This scholarship is granted in the form of waiver of student's tuition fee for upto 20% in each programme.

Fourth Semester (January – June 2015, Session 2013-15)

Earn While You Learn Scheme (July, 2014 to June 2015)

A unique scheme of the University aimed to encourage and support students to make them self-reliant and also develop better cooperation and leadership skills. Under this scheme, a student may be assigned a task for a maximum of 10 hours per week. This includes assistance in library, computer lab, laboratory, faculty department / centre, office, placement section, residence halls and other specific jobs identified time to time. Students also provided with an experience certificate by the University.

S. No.	Name of Students	Enrolment No.	Programme of Study	Session

Attendance Based Merit Scholarship

The University has an innovative scheme to increase students' attendance. The University encourages and supports students who have 100 percent attendance during a semester. All such students are paid a book grant not exceeding Rs. 1000/- at once.

S. No.	Name of Student	Programme	Enrolment No	100 % Attendance Duration
1	Rakesh Kumar Roy	MA Development Studies (3rd Semester)	CUB1301112012	Jan to May 2014

Financial Assistance to the Physically Challenged

Financial assistance is given by the University to physically challenged students admissible from the date of commencement of the semester to the date of completion of the semester. Present rate of the financial assistance is Rs. 1000/- per month which may be revised from time to time by the University. The students need to maintain class attendance of 75 percent or above for receiving it. Continuation / renewal of the award for next year will depend on successfully completing the course in the preceding year with minimum GPA 5.0.

First Semester (July – December 2014, Session 2014-16)

S. No.	Name of Students	Category	Enrolment No.	Programme of Study
1	Pankaj Kumar Aditya	OBC	CUB1403132009	M.Sc. Life Science
2	Abhishek Kumar	OBC	CUB1401112001	M.A. Development Studies

** Rs. 1000/- will be paid per month from date of admission & subject to 75 percent attendance in the class.*

3. Placements / Fellowships

Career Counselling and Placement Cell

The University has a Career Counselling and Placement Cell which takes care of the campus placements and job opportunities for the students enrolled in various courses under different Centres / Departments. Some of the key responsibilities of the Career Counselling and Placement Cell are:

- (i) To organise the job-oriented awareness related workshops time-to-time for the university students.
- (ii) To provide placement training to students with sessions on Resume / CV writing, conducting mock interviews, group discussion, etc.
- (iii) To invite the experts from corporate organisation for interactive sessions, lectures on soft skills and giving away placement training to the students.
- (iv) To disseminate the job opportunities related information in the concerned (related) centres / departments.
- (v) To organise job fairs / career related fairs for the job seekers in the university premises.

Activities Undertaken by Placement Cell

Placement in Care India

Internationally acclaimed NGO (non-government organisation), Care India conducted a placement camp at University's Patna campus on 27th February, 2015. Conducted by the Placement cell of the university, the placement activity was coordinated by Mr. Sujeet Kumar, Asst. Professor CMS and Coordinator of Placement cell of media department. A four member team of Care India comprised of Ms. Taru (HR – Bihar), Mr. Jaimon Thomas (Program Manager), Mr. Dada Saheb Tandel (District Manager) and Dr. Md. Sarwar Khan (Regional Technical Specialist Darbhanga) visited the University for holding a placement camp. Care India placed the selected students in different districts of Bihar as Block level officer to handle its projects.

List of placed candidates with Care India:-

S. No.	Name of Students	Programme / Course of Study
1	Mr. Hari Om Kumar	MA Communication & Media Studies
2	Mr. Saket Mani	MA Communication & Media Studies
3	Mr. Vivek Raj Aryan	MA Communication & Media Studies

4. Co-curricular Activities & Sports

Along with the regular academic curriculum, the University encourages the students to participate in extra-curricular activities both within and outside the campus. The students from various centres / departments participated in a number of activities and won prizes along with accolades. Also, the students very actively participated in short educational trip, workshops, conferences, etc.

CUSB student Nitish attends Parliament Session

Nitish Kumar Guru, a student of MSc Mathematics attended the Parliament House proceeding at Rajya Sabha in the month of December 2014. During his one hour stay inside the parliament, Nitish witnessed the Member of Parliaments from Rajya Sabha raising questions about various issues related to country and its people. Further, Nitish along with other students visited the Shastri Bhawan to meet the Union Minister of Human Resources and Development (MHRD) Smt. Smriti Zubin Irani. During interactive session with Hon'ble minister they discussed the issues affecting the education system of the country especially 'quality education for all' and the new education policy. All the participants were asked to suggest what needs to be done for implementing 'Quality Education for all' and everyone present did actively participate in the session by giving their respective suggestions.

Four day theatre workshop

A four day theatre workshop was organised by Cultural Activities Committee at university's Patna campus during December 27-30, 2014. The workshop was organised under the guidance of Cultural Committee Coordinator Mr. Aditya Mohanty, Asst. Professor, Centre for Development Studies. The cultural committee had called Patna based Rangmati artist Ravikant Singh for sharing his expertise in theatre acting and related areas. The workshop was attended by CUB students from Media department Hariom Kumar, Vivek Raj Aaryan, Kumar Gautam, Amanat Ansari, Surjit Goyal, Shweta Surbhi along with Smriti Kumari (Psychology), Pratika Singh (Life Science), Sudhanshu Anand (Economics) and Anand Kumar (Development Studies). Mr. Mohanty expressed happiness over the successful conduct of the workshop and special training given by the experts. Such workshops are part of university's academic curriculum and organised at regular intervals in order to ensure all-round development of students, said Mr. Mohanty.

Education Tour

Under educational tour students of M.Sc. Biotechnology (3rd semester, Session 2013-15;) visited ruins of Nalanda University and museum at Nalanda with faculty members on 19th December 2014 organised by Centre for Biological Sciences (Biotechnology programme).

Workshop on Cloud Computing

Students of M.Sc. (Statistics) Semesters I and III took part in a one-day Workshop on 'Cloud Computing: a paradigm shift in ICT' organized by the Department of Statistics, Patna University on 7th February 2015.

Students get hands on training about printing technology

The students of Centre for Mass Communication and Media studies visited the printing press of Hindustan media group situated at Danapur on 15th February, 2015. The students were accompanied by department's head in-charge Dr. Kinshuk Pathak and assistant professor Dr. Anindya Deb. During the visit students knew the minute details about the newspaper printing technology and seen the state-of-the-art massive printing machines.

Centre for Education

- Role plays on “Environmental Issues” were performed by the second semester BA.BEd and BSc.BEd students on 17th April 2014. Three students of BSc.BEd second semester (Rohit Kumar, Alok Kumar and Akanksha Kumari) attended the summer training of the Mini Mathematics Training and Talent Search (NTSS) programme during June 9 – 21, 2014.
- A lecture on “Transmission and Guiding of electrons through insulating nano capillaries and comparison with ion guiding” was delivered by Dr. Susanta Das (UGC Assistant Professor, Department of Physics, CUSB) under Science club activities on 7th August, 2014.
- A term paper presentation on “Biography of Scientists and their remarkable contribution in the world of Science” was organised by the students of BSc. BEd under science club activities on 21st August, 2014. Three students of BSc. BEd third semester i.e Anzar Hassan, Amit Kumar and Rohit Kumar presented papers on Ernst Rutherford, S.N Bose, C.N.R Rao respectively. In their presentations they throw light on the contributions and milestones in their fields.
- A PowerPoint presentation on “Ebola Virus” was delivered by Ashutosh Prabhakar (BSc.BEd, 3rd semester) under Science Club Activities on 18th September, 2014.
- A poster competition was organised for the BA.BEd and BSc.BEd students on the topic “Sanitisation, Public Hygiene and waste management” on 16th October, 2014.
- An essay competition on “Role of Educational Institutions in Clean India” was organised for the BA.BEd and BSc.BEd students on 22nd October, 2014.
- On the eve of National Education Day, a speech competition on “Right to Education: Dream or Reality” was organised by the Centre for Education for the BA.BEd and BSc.BEd students on 11th November, 2014.
- A talk on “Oppenheimer and Bhagvadgita” was delivered by Kushagra Rohatgi (BSc. BEd, 1st semester) and Aman Ranjan (BSc.BEd 1st semester) under Science Club Activities 15th November, 2014.
- On the occasion of International Students Day, an interactive session was arranged separately for first semester and third semester students of the Centre for Education on the topic” Shikshit Bharat-Saksham Bharat: Quality Education for All” on 17th November, 2014.

- A PowerPoint presentation on “Vedic Mathematics” was organised by Vivek Kumar Rawat (BSc.BEd 1st semester and Neeraj Kumar (BSc.BEd 1st semester) under Science Club Activities on 20th November, 2014.
- A presentation on “Raman and his Legacy” was delivered by Tathagat Kaundinya (BSc.BEd 1st semester) under Science Club Activities on 27th November, 2014.
- A writing workshop was organised for the BA.BEd third semester students based on the topics on elaborate discussion on the given topic, making a semantic map, outlining the order, elaboration of the sub-topics, precision in languages, choice of appropriate words, writing grammatically correct and balanced sentences and organising the materials on 18th November, 2014. A total of 15 students participated in the workshop under the guidance of Dr. Richa, Course Instructor, Centre for Foreign Languages.
- Anupam Ravi, a student of BA.BEd, 4th semester presented a paper in the departmental cultural and Literary Forum on “Rashtriya Madhyamik Siksha Abhiyan” (RMSA) on 4th February, 2015.
- A presentation on “H. J. Bhabha” was delivered by Anzar Hassan (BSc.BEd. 4th semester) under Science Club Activities on 17th March, 2015.
- A presentation on “Swine Flu” was delivered by Ashutosh Prabhakar (BSc.BEd 4th semester) and Saiyem Iftekhhar (BSc.BEd 2nd semester) under Science Club Activities on 25th March, 2015.

Sports

Games and sports help in achieving academic excellence and creativity. Keeping this in mind the University has provisions for both indoor and outdoor games. Besides, the regular sports activities, annual sports events help team building and strategic preparations.

First ever Woman Cricket match played at CUSB

Taking a unique initiative after more than five years of its establishment the Central University of Bihar (CUB) organised first ever cricket match for girl students of the university on November 28, 2014 at STF ground in Patna. Organised by the Games and Sports Committee of CUB the match was played between two teams namely, CUB Sunrisers XI versus CUB Batting Divas. The 10-10 over game was formally inaugurated by Registrar Prof. Mohammad Nehal in presence of Games and Sports Committee Coordinator Dr. Prashant, members Dr. Amrita Srivastava and Dr. Prabhat Ranjan. There was huge excitement among the players, students, faculty members, staff and officers of the university to watch such of its kind rare match. CUB Batting Divas captain Bhavya Ankita, student MSc Environmental Sciences (IIIrd Semester) Semester after winning the toss decided to bat first and the team scored 99 runs in 10 overs by losing three wickets. Avinita Gautam, a student of MSc Mathematics (Ist Semester) scored top-score of 28 runs, while another student from MSc Environmental Sciences (IIIrd Semester) Bhavya Ankita scored promising 27 runs. Chasing the

modest target of 100, CUB Sunrisers could score 89 runs at the loss of two wickets in limited 10 overs and lost the match by 10 runs to CUB Batting Divas.

Annual Sports Event

Annual Cricket carnival – January 2015

Organised as the part of CUSB's Annual Sports Activities – 2015, the league matches for Intra University Cricket Championship started on 12th January. A total of three teams participated for the title namely, CUB Challengers, CUB Royals and CUB Dare Devils. The final match was played between CUB Challengers comprised of students from Centre for Biological Sciences and Environmental Sciences and CUB Royals featuring students from Dept of Computer Science, Mathematics and Statistics. CUSB Vice Chancellor Prof. Debdas Banerjee formally inaugurated the match in presence of Games and Sports Committee members Dr. Prashant (Coordinator), Dr. Amrita Srivastava, Dr. Kinshuk Pathak, Dr. Firdaus Rizvi and Dr. Prabhat Ranjan. Choosing to bat first after winning to toss CUB Royals scored a total of 111 runs at the loss of 9 wickets in 20 overs with the top score of 25 scored by Navin Kumar (2x4, 2x6). From CUB Challengers Vivek Kumar took 3 wickets, while Mohammad Aftab Alam, Mukund Kumar Sinha and Sunny took 2 wickets each. Chasing the modest target of 112 runs in 20 overs CUB Challengers lost two wickets at the score of 1 and 7 wickets at the score of 46. The match became one sided but CUB Challengers captain Soumyajyoti Ghosal brought back the smile in the face of his team with a promising known of 28 well supported by Sunny and Mohammad Aftab Alam scored 15 and 13 respectively. However, the entire team returned to pavilion at the score of 83 runs, and lost the match by 28 runs.

3	Runner (Male)	Cup / souvenir	Amarjeet Kumar	Amarjeet Kumar (4th Semeseter)
4	Runner (Female)	Cup / souvenir	Chandini Kumari	MSc Mathematics (IVth semester)

5. Activities / Events

April 2014

Workshop on Behavioural Skills for Effective Living

A workshop entitled “*Behavioural Skills for Effective Living*” was organised by the Centre for Psychological Sciences (CPS) on 12th April, 2014 at CUB Patna campus, which was attended by faculty member and students of the University along with students from other institutions of Patna. The workshop was inaugurated by Prof. Janak Pandey, an internationally acclaimed psychologist and also the founder Vice-Chancellor of CUSB. As the resource person of the workshop in his inaugural speech, Prof. Pandey shared the nitty-gritties of Psychology and its connection with day-to-day life including personal and professional as well. Prof. Pandey advised the participants to find-out the real meaning of ‘oneself’ and its application in today’s competitive world. During the workshop sessions were also conducted by, Dr. Narsingh Kumar, Head (in-charge) Centre for Psychological Sciences along with faculty members Dr. Das Ambika Bharti, Dr. Saurabh Maheshwari and Dr. Manglesh Kumar Manglam, Assistant Professor, which was entitled as “Building Career in Psychology”.

Yaadein 2014- Farewell

The second semester students of CUB Patna campus bid adieu to their seniors belonging to fourth semester from the 2012-14 batch on 28th April, 2014. Named as “Yaadein 2014”, the farewell was organised under the guidance of cultural activities committee of Patna at the auditorium of Chandragupta Institute of Management. The cultural programmes such dance performances, singing songs, recital of poems, games and skit were the highlights of the farewell. Dharendra Kumar, a student from Department Environment Science was declared Mr. CUB, while Shreyas from Centre for Psychological Sciences crowned the title of Ms. CUB after three rounds of tough competition. Dr. Jawaid Ahsan, Dr. Antresh Kumar and Mr. Atish Kumar Das judged the winners of the competition. Dr. Das Ambika Bharti, Co-ordinator, Cultural Activities Committee was present with other members namely, Mr. Aditya Mohanty, Dr. Firdaus Fatima Rizwi, Dr. Anindya Deb and Ms. Smita Roy. The colourful event was conducted by students of second semester namely Dharamveer, Krishna M. Roy, Suprabha Dey and Manoranjan. Navin Kumar, a student of Computer Science delivered the vote of thanks.

Lecture by Mr. Ashok Kumar Attri

Former Ambassador to Denmark Mr. Ashok Kumar Attri delivered a lecture on 29th April, 2014 at Hotel Garv Residency in Gaya. The lecture entitled “India’s Foreign Policy on Neighbourhood” was organised by CUB in cooperation with Public Diplomacy Division of Ministry of External Affairs, Government of India. Mr. Attri highlighted the issue of regular scuffle between India and Pakistan due to Kashmir. He said now the time has arrived for both the countries to resolve the “Issue of Kashmir” and move ahead towards financial cooperation and free trade. With mutual cooperation the South Asian nations can progress towards development by resolving key issues like poverty, illiteracy and lack of basic amenities, insisted Mr. Attri. The welcome speech was given by Dr. Alok Kumar Gupta, Head Centre for Political Sciences, Dr. Sumit Pathak introduced the chief guest and Dr.

Pranav Kumar both Asst. Professors, Centre of Political Sciences conducted the programme and delivered vote of thanks as well.

May 2014

MoU Signed between CUB and Shoshit Seva Sangh (SSS)

CUB signed a memorandum of understanding (MoU) with Patna based Shoshit Seva Sangh (SSS), a non-government organisation (NGO) established in 2005 for development research, evaluation and training collaboration on 8th May, 2014. The MoU was signed as a part of university outreach programme between CUB VC Prof. Debdas Baneree and J K Sinha (Retd. IPS Officer) founder chairman of Shoshit Seva Sangh. Prof. Janak Pandey, former VC of CUB who himself had put efforts for the MoU between two institutions was also present during the signing of agreement.

May - June 2014

CUBET (Central University Combined Entrance Test) – 2014

CUB achieved another milestone by conducting the online entrance independently through CUBET Central University Combined Entrance Test (CUBET) – 2014. The university held the online entrance test itself at 15 centres across the country for admission to various undergraduate, postgraduate and Integrated MPhil – PhD programmes offered in the different disciplines for academic session 2014. Earlier the admission in CUB campuses happened through the CUCET (Central University Combined Entrance Test) conducted by Central University of Rajasthan. A total of 2127 candidates have appeared in the online entrance test held on May 31 and June 1, 2014. The results were declared on CUB website on 4th June, 2014 and shortlisted candidates through online test completed the admission process during 16 – 20 June after going through written test and interview.

August 2014

Talk on statistical data by Ashis Sengupta

Renowned Environmental Statistics expert Prof. Ashis Sengupta, associated with Indian Statistical Institute (ISI) Kolkata at its Applied Statistics Unit delivered a talk on the topic – “Directional Statistics: Theory and Applications”. He said that correct use of statistical data is must for getting the desired and much ambitious results especially for measuring the environmental factors. Wrong use of statistical data can cause blunder and cause major loss. The senior professor presented several befitting examples from the vast area of Statistics. His talk also featured the use of variables in statistical measurements like pie chart besides various types of statistical data such as circular data, direction data, etc. Prof. Arun Kumar Sinha, head Department of Statistics while introducing Prof. Sengupta said that along with being the editor, author, member and fellow at a number of national and international Statistical organisations, he had also been the visiting professor at Department of Statistics, University of California, Riverside, USA.

Independence Day

The 68th Independence Day was celebrated at Patna and Gaya campuses of the university on 15th August 2014. The celebrations at Patna started with the Guard of Honour offered to Registrar Prof. Mohammad Nehal, followed by hoisting of national flag by him. Further, the students presented cultural programme based on the nationalistic leitmotif. The officials, faculty members and other dignitaries were present on the occasion with the students. Similarly, at Gaya campus after the flag hoisting by Prof. Alok Kumar Gupta the cultural programmes followed the celebrations.

September 2014

Teacher's Day

The students of all centres / departments celebrated the Teacher's Day in their respective class rooms / lecture halls at Patna and Gaya campuses. During the Teacher's day celebrated the students honoured the teachers of their respective programmes. Some of the students also delivered the speeches based on the importance of teachers for the society and nation. The students also expressed their gratitude for their teachers for their sacrifices to nurture them and shaping their lives.

Blood Donation Camp

Central University of Bihar (CUB) celebrated the Teacher's day in a different way by organising a Blood Donation Camp on 5th September, 2014 at its Patna campus. Vice Chancellor Prof. Debdas Banerjee and Controller of Examinations (COE) Dr. C. L. Prabhavathi despite their growing ages donated blood along with enthusiastic university fraternity comprises of faculty members, students and staff members. The Blood Bank of Patna Medical College and Hospital (PMCH) had conducted the blood donation camp on request of the university. The blood donation drive was very successful and participated by.

Onam Celebration

Portraying its national stature the Central University of Bihar (CUB) celebrated the Onam, the state festival of Kerala at its Patna campus with pomp and gaiety on 8th September, 2014. The festival of Onam is seen as a symbol of national integration, justice, peace and prosperity. Organised by students from Kerala, Afsal C.P and Vasakh Kumar the Onam celebration was joined by registrar Mohammad Nehal, finance officer B K Pandey and controller of examinations C. L. Prabhavathi along with university officials, faculty, staff members and students.

October 2014

Swachch Bharat Pledge

On the occasion of Gandhi Jayanti (October 2, 2014), CUB took pledge for cleanliness of the university and nation. CUB Registrar Prof. Mohammad Nehal formally launched the 'Bharat Swachata Abhiyan', and accompanied by Controller of Examinations (COE) Dr. C.L.Prabhavathi, officials, faculty and staff. During the pledging ceremony the university offered tributes to Mahatma Gandhi and Lal Bahadur Shahstri on their birth anniversaries which coincidentally fall on 2nd October. Prof Nehal briefly narrated the story of transformation of Mohan Das Karam Chand Gandhi into Mahatma and insisted that his values are greatly relevant in this present era for the country and world. The registrar correlated Bharat Swachata Abhiyan with Mahatma Gandhi's belief in cleanliness in the vicinity where one resides or works. Similar activities related to 'Bharat Swachata Abhiyan', and birth anniversaries of Mahatma Gandhi and Lal Bahadur Shahstri were held at its CUB's Gaya Campus.

Rashtriya Ekta Diwas

The University celebrated the 139th Birth Anniversary of Sardar Vallabhbhai Patel as Rashtriya Ekta Diwas on October 31, 2014 and took pledge to preserve the unity, integrity and security of nation in presence of Registrar Prof. Mohammad Nehal at Patna campus. Similarly at University's Gaya campus the pledge taking ceremony was led by Dr. Kamlanand Jha and Dr. Kaushal Kishore. The pledge taken by CUB family read as, "I solemnly pledge that I dedicate myself to preserve the unity, integrity and security of the nation and also strive hard to spread the message among my fellow countrymen. I take this pledge in the spirit of unification of my country which was made possible by the vision and actions of late Sardar Vallabhbhai Patel. I also solemnly resolve to make my own contribution to ensure internal security of my country". The pledge was followed by singing of National Anthem and run for Unity by University fraternity. A panel discussion on the contribution of Sardar Patel to National Security, Safety and Unity was conducted at university's Gaya campus by Dr. Alok Gupta. Besides, a documentary film on Sardar Patel made by Doordarshan was screened at CUB's Patna campus.

November 2014

ISS Director's talk on statistical software

Dr. Pankaj Srivastava, ISS, Director, Ministry of Corporate Affairs, Govt of India delivered a talk on "Hotspot detection through satscan, a statistical software" at University's campus. Organized by the Dept. of Statistics the talk was presided over by HoD Dr. Arun Kumar Sinha. In his talk Dr. Srivastava mentioned about the use of statistical technique, and spatial information like the latitude and longitude of a place that helps to prioritize the most important hotspot of a characteristic of interest in a given geographical area. He had presented an example about the acute shortage of females as compared with males (through sex ratio as defined by the number of females per thousand males) which has been detected in many rich states of India. Dr. Srivastava said this type of information is always required for implementing welfare measures initiated by the government and the non-government agencies to mitigate the alarming situations. Also, the findings help combat the wide spread diseases like polio, malaria, kalaazar, etc. mentioned the expert.

Celebration of "National Education Day"

CUB celebrated the birth anniversary of Maulana Abul Kalam Azad as National Education Day on November 11, 2014. On this occasion the Cultural Activities Committee organised a special event, which was formally inaugurated by Registrar Prof. Mohammad Nehal by paying floral tribute to the picture of Maulana Abul Kalam Azad. Addressing to the faculty members, teachers, officers and staff of the university Prof Nehal highlighted the contributions of Maulana Azad as a freedom fighter and first Education Minister of independent India. Dr. Arun Kumar Hinha, Head, Dept of Statistics also spoke about the life history of Maulana Azad and insisted upon the need of Hindu-Muslim bonhomie in today's context. During the ceremony the students of the university also presented the cultural programmes such as poem recital, skit and slide presentation based on instances from life of Maulana Azad. The programme concluded with vote of thanks offered by Dr. Anindya Deb, Asst.

Professor, Centre for Mass Communication and Media Studies and member of university's cultural committee.

International Student's Day

The School of Education celebrated the International Student's Day at Gaya campus on November 19, 2014.. An interactive session on the topic "Shikshit Bharat Saksham Bharat; Quality Education for All" was conducted by the students of B.A BEd and B.Sc BEd under the supervision of faculty members Dr. Kaushal Kishore, Dr. Mitanjali Sahoo, Dr. Rinki and Dr. Pankaj Kumar Mishra. Several

interesting and innovative ideas for policy were presented by the students to improve and standardize the quality education for all. There were several issues raised by the students such as utilisation of education by all, spread of education to lower level and stopping the corrupt practices in the system. The interactive session ended with the speech of Dr. Kaushal Kishore.

One-Day Foreign Policy Awareness workshop

The Centre for Political Studies (CPS) organised a **One-Day Foreign Policy Awareness workshop** under sponsorship of Indian Council of World Affairs (ICWA) at Hotel Vishnu Vihar in Gaya on 17th November, 2014. The topic of workshop was 'India's foreign policy for its neighbour', which was organised under the Indo-foreign policy expansion plan of ICWA for its wide reach among people from academia and common people. Prof. Madhurendra Kumar Vij from Kumaon University, Nainital was the key speaker, while Dr Amit Kumar represented ICWA, and spoke on the topic in detail with befitting examples. Other guests attended the workshop were Prof. Sima Prasad from Patna University and Prof. J. N. Prasad (Head, Political Science), Dr. Manish Sinha, Dr. Ehtesham Khan and Dr. Shagufta Ansari from Magadh University. An essay writing competition was organised during the workshop in which students from CUSB and other institutions such as Magadh University, Gaya College and Gautam Buddha College participated.

December 2014

Lecture by UK based scientist Dr. Mumtaz Naiyer

Dr. Mumtaz Naiyer, Postdoctoral Scientist, Clinical and Experimental Sciences, Faculty of Medicine, University of Southampton, United Kingdom delivered an invited lecture at University's Patna campus on December 2, 2014. In his talk on the topic, "NK Cell Signaling: Inhibition, Antagonism and Peptide Mediated NK cell activation", Dr. Naiyer highlighted the role of Natural Killer (NK) cells and its significance for the Human body. Elaborating about the NK cells and its significance he said Natural killer cells (NKs) are important part of the body's defence system expressing both activating as well as inhibitory molecules on their surface that enable the immune system to fight against viral infections such as HIV and Hepatitis C as well as cancer. Referring to his current work he said our focus is towards identifying a new drug. However, previous studies on peptide antagonism highlighted the role of peptides VAPWNSFAL (FA) and VAPWNSAL (DA) in this new mechanism of NK activation. Expressing his pleasure Dr. Rizwanul Haque, Head CBS thanked Dr. Naiyer for his lecture and said the topic is quite pertinent in today's context especially in India including city of Patna where cases of Hepatitis C are increasing at an alarming rate. The work of Dr. Naiyer based on NK cell is going to be very helpful in the scientific fraternity and the remedies of the people affected by the killer diseases, said Dr. Haque.

January 2015

Voluntary Eye-testing camp

Dr. A. Bhaskar Naidu, an Ophthalmologist from Tirupati, Andhra Pradesh, who happens to be the husband of Dr. C. L. Prabhavathi, Controller of Examinations held a voluntary eye-checkup camp at Patna campus of Central University of Bihar (CUB) during January 12-17, 2015. Dr. Naidu had established a proper set-up for eye-checkup and carried essential medicines to efficiently hold the camp. The eye-testing camp was formally inaugurated by CUB registrar Prof. Mohammad Nehal and received huge response from the university fraternity comprises of students, staff and faculty members.

Smart Citizen, Smart City Drive

Dainik Jagran – one of India’s leading Hindi newspaper organised a one hour interactive session for students, staff faculty members at CUSB Patna campus on 23rd January, 2015. Organised on the theme “Smart Citizen, Smart City”, the programme was featuring three main components, namely (i) signature campaign (ii) oath taking and (iii) open discussion. Participants shared their opinion on major areas (issues) such as (i) Traffic (ii) Cleanness (iii) Environment (iv) Heritage conservation (v) Sports (vi) Health & Sanitation (vii) Water conservation (viii) Eradicating corruption (ix) Leadership, etc. The participants vowed to make themselves a smart citizen and make the city a smart in order to ensure a happy and hassle-free life.

Republic Day Celebration

The University celebrated the 66th Republic Day at its Patna and Gaya campuses. In Patna, the republic day celebration started with 'Guard of Honour' offered to the registrar Prof. Mohammad Nehal by university's security guards followed by hoisting of national flag. The national anthem and university's anthem were sung by students of the university. Further, the registrar during his key address described about the importance of Republic Day and especially the preamble of Indian constitution. The celebration proceeded ahead with cultural programmes presented by students of Patna and Gaya campuses, which included folk dance, musical fusion on guitar and harmonium, one-act play on the burning issues of Child labour and terrorism. The winners and runners of games of cricket and badminton doubles (both boys & girls category) were given away trophies, medals and certificates by the registrar in presence of finance officer CMA BK Pandey and Head of Statistics department Prof. Arun Kumar Sinha. Similarly, in Gaya campus the flag was hoisted by Controller of Examinations (COE) Dr. C. L. Prabhavathi. The republic day celebration started with hoisting of flag in Gaya and further the cultural programmes performed by students mesmerised the audience.

Alumni Association Meet

A general meeting of Alumni of Central University of South Bihar was conducted at Patna campus on 30th January, 2015. The meeting was conducted by Dr. Mayank Yuvaraj, Asst. Librarian and coordinator Alumni Association. The main objective of the Alumni Association Meet was to bring alumni of CUSB at a common platform for exchange of ideas. Ramesh Kumar Rajak (DVS), Anumeha (Life Sciece), Diwakar Prakash, Sunny Kumar, Kumar Abhishek and Ramesh Yadav from Environmental Science, Vishw Vivek Bharti (Mass Communication) and Mukesh Kumar (Biotech) were some of the alumni among many others to attend the meet. The currently enrolled students studying in various postgraduate programmes were also present to interact with their seniors. Controller of Examinations Dr. C. L. Prabhavathi attended the meet and shared her views with students about the importance of Alumni association and its benefit for students and university.

February 2015

Seminar on various aspects of Love at CUSB – February 2015

The Centre for Indian Languages (Hindi) organised a one-day seminar entitled "Love: Existence, Dream and Struggle" on 17th February, 2015 at university's Gaya campus. The daylong seminar was organised in three sessions. The first session was named as 'Idea of Love' in which two topics were discussed namely, Love : Philosophical and Ideological Discourse and Love in Indian and Western Tradition : Art, Literature and History. The next session was named as 'Experience of Love', and the topics discussed were Love: Physical and Metaphysical, Love in contemporary Scenario, Love and Consumer Culture and Unexpressed Feminine Voice of Love. The seminar concluded with final session named as 'Expression of Love'. The seminar brought the experts from the languages of Hindi, English, Urdu and other subjects, and participated by faculty members and students in large number.

Fifth Development Meet

The Centre for Development Studies (CDS) organised two days Development Meet during March 13-14, 2015. The Two-Day Fifth Development Meet of the Centre for Development Studies, (CDS) witnessed around a dozen paper presentations. The event was attended by students, academics and NGO personnel from the city like CIMP, Development Management Institute (DMI), NIFT, IIT and BIT. The Fifth Development Meet flagged off on Friday, March 13, 2015 at ICAR (Indian Council of Agriculture Research) complex in Patna. Prof Amit Bhaduri, Ph.D (Cambridge) & ICSSR Honorary Fellow, currently Professor of Economics at the

Council for Social Development, New Delhi delivered the presidential address on the topic “Land Acquisition and Indian economic development. The Inaugural session was convened under the chairpersonship of the university’s Vice Chancellor Prof Debdas Banerjee and the coordinator of the event was Shri Aditya Mohanty, Assistant Professor from Centre of Development Studies. Prof Sharit Bhowmik (ICSSR), Ms Shuchi Bharti (JNU) and Dr Shuchita Sharmi (University of Dhaka) were some of the noted speakers. CUSB faculty members Dr Anindya Deb and Dr Narsingh Kumar also presented their papers during the meet. On second day the Key Note address of the day was delivered by Prof Purushottam Kulkarni, a renowned demographer from Jawaharlal Nehru University (JNU), who stressed on the implications of population growth rate on developmental planning. This session themed *Principles and Practices of Public Policy*, was chaired by Dr Aditya Raj (IIT Patna) and Ms Anju H Bara of CDS acted as the discussant. Other speakers in the session were Dr Tulika Tripathi, Assistant Professor, (CUG), Mr Bhuwan Bhaskar, Ministry of Textiles, Ms Priyanka Das Saharia, Delhi School of Economics. In the final session of the day themed *Bihar: Economy and Society*, Prof PP Ghosh, eminent economist at the Asian Development Research Institute (ADRI) Patna was flanked by younger research scholars and academics like Ms Priyanka Dey and Ms Natasha Sharma (ORF Kolkata), Ms Nilu Khan (CUG), Dr Debabrata Samanta (CIMP), Mr Rizwan Alam (AMU) and Mr Dhananjay Kumar (CUB). The session raised interesting issues like the growth elasticity of poverty, role of e-learning, entrepreneurship, agricultural diversification etc. and the ways in which the critical socio-economic indices of land acquisition, credit streamlining, technological up-gradation and electrification contribute to accelerate societal development.

Martyr Day

A condolence meet was organised on the eve of Matryr Day at University’s Gaya campus on 23rd March, 2015. During the meet great martyrs Bhagat Singh, Rajguru and Sukhdev were remembered along with other patriots who have sacrificed their lives for the country. Dr. Alok Kumar Gupta, academic coordinator of Gaya inaugurated the meet by paying floral tributes to portrait of Bhagat

Singh. Further he expressed his views about the martyrs who have given valuable contributions for the freedom and integrity of nation. On this occasion faculty members, Dr. Kamlanand Jha, Dr. Shanti Bhushan and Dr. Karmanand Arya (all from Centre for Indian languages - Hindi), Dr. Pranav Kumar and Dr. Sumit Kumar Pathak (Political Studies), Dr. Sudhanshu Jha (History), Dr. Harseh Narayan Pandey (Sociology) shared their views with the audience. The event was conducted by Dr. Abhay Kumar (Political studies), while Dr. Yogesh Pratap Shekhar (Hindi) proposed vote of thanks.

6. New Appointments

(A) Appointment of Faculty Members on Regular Basis

During the financial year 2014-15, no faculty member has been appointed on regular basis; hence the total teaching strength is 64.

(B) Appointment of Faculty Members on Contract Basis

9. Meeting of the Authorities

(Period: 01.04.2014 to 31.03.2015)

First Court Meeting of Central University of Bihar

The First Court meeting of Central University of Bihar was held on 17th November, 2014 in Patna under the chairmanship of Hon'ble Chancellor of the University Smt. Meira Kumar and the Hon'ble Court Members as nominated by MHRD have participated in the meeting. The members expressed satisfaction about the progress of the University and their concerns about the existing space crunch in the rented premises in both Patna and Gaya, and expect that the construction of campus in Panchanpur (Gaya) be speedier so that additional subjects such as Philosophy, History of Bihar, etc., be added to the existing teaching and research programmes as early as possible. The Court approved the Audited Annual Accounts for 2013-14 and the Annual Report (2013-14).

कठिनाइयों को जीतना है, तो बनना होगा मानसिक रूप से मजबूत

सीयूबी में शनिवार को स्टूडेंट्स को किया गया प्रोत्साहित

ह्यूमन साइकोलॉजी को ले कर समझायी गयीं कई बातें

लाइफ रिपोर्टर @ पटना

'लीडर बने, ना की नेता'. इस छोटे से वाक्य में कई महत्वपूर्ण अर्थ छिपे हुए हैं और सीयूबी में शनिवार को हुए 'बिहेवोरिअल रिक्लस फॉर इफेक्टिव लिविंग' पर एक दिवसीय वर्कशॉप में स्टूडेंट्स ने इसी लीडरशिप क्वालिटी के बारे में जाना. यूनिवर्सिटी के साइकोलॉजी विभाग द्वारा आयोजित इस वर्कशॉप में मुख्य रूप से स्टूडेंट्स को जीवन में हर दिन आनेवाली कठिनाइयों से पार पाने

के लिए मानसिक तौर पर तैयार करना था. यूनिवर्सिटी के संस्थापक पूर्व कुलपति प्रोफेसर जनक पांडेय सहित मनोविज्ञान विभाग के प्रोफेसर अंबिका भारती, डॉ सौरभ माहेश्वरी और डॉ नरसिंह कुमार ने स्टूडेंट्स को वर्कशॉप के विभिन्न सेशन में संबोधित किया. वर्कशॉप में लगभग 40 स्टूडेंट्स ने हिस्सा लिया, जिसमें से कुछ पटना वीमेंस कॉलेज, मगध महिला सहित

पटना यूनिवर्सिटी से भी थे.

फिल्म से मिली प्रेरणा

मोटिवेशन और लीडरशिप के लिए स्टूडेंट्स को चक्र दे इंडिया मूवी के चुने हुए सीन दिखाए गये. इस मौके पर यूनिवर्सिटी के सहायक प्रोफेसर डॉ सौरभ माहेश्वरी ने स्टूडेंट्स को लीडरशिप क्वालिटी डेवेलप करने के लिए कई महत्वपूर्ण बातें बतायी.

CUB session begins today

TIMES NEWS NETWORK

Patna: The Central University of Bihar (CUB) is all set to start its new academic session from Monday when it reopens after a long summer vacation.

On the first day of the new academic session, the university will hold an induction-cum-orientation programme for the newly-admitted students on its Patna and Gaya campuses. The programme is scheduled to start

at 9.30am with the registration of newly-admitted students and followed by many other academic programmes.

CUB's public relation officer Mohammad Mudassir

Alam said the university has made arrangements for the successful conduct of induction programme which will be addressed by the heads of various departments. The students would be given detailed information about different wings of the university as well as the academic activities. More than 500 students have been admitted in the new session in as many as 26 different academic programmes at integrated undergraduate, postgraduate and integrated MPhil-PhD levels, Alam said.

शहर को अपना मानकर बनाएंगे स्मार्ट

सिटी को स्मार्ट बनाने के लिए शहर को अपना समझने की भावना होनी चाहिए। सस्कर सार्वजनिक सुविधाएं दे सकती है, उन सुविधाओं का उपयोग करना ही नहीं बल्कि उसे बनाए रखने की जिम्मेदारी भी स्मार्ट सिटीजन की होती है। बस में महिलाओं और बुजुर्गों को अपनी सीट ऑफ़र करना सस्कर नहीं सिखाएगी। इसके लिए हमें खुद अपने अंदर संवेदना जगाना होगा। हम जागेंगे तभी शहर भी बनेगा स्मार्ट बनेगा। शुक्रवार को स्मार्ट सिटीजन-स्मार्ट सिटी अभियान विहार केंद्रीय विश्वविद्यालय व महंत हनुमान शरण कॉलेज के छात्र-छात्राओं के बीच चला। शहर व शहरी दोनों स्मार्ट कैसे बनें? हर मायने में। इस बाबत छात्रों के साथ शिक्षकों ने भी अपनी राय रखी। शहर को स्मार्ट बनाने के सभी ने शपथ भी ली। सबसे माना कि नियम-क़यदे की अनदेखी से शहर की व्यवस्था बिगड़ती है। नागरिकों से ही देश और राज्य की पहचान बनती है। पटना को स्मार्ट सिटी बनाने के लिए शहरवासियों को आगे आने होगा।

कोट ऑफ़ द डे
मानविकता का सार पर नागरिकों को शहर से लगाव होगा तभी हमारा शहर स्मार्ट बन सकेगा है। इसके लिए हमें अपनी मानसिकता में बदलाव लाना होगा जो सस्कर के उठे की डर से नहीं होगा बल्कि शहर को दिल से अपना मानने से होगा। हमें अपने साथ दूसरों को भी जागृत करना होगा क्योंकि शहर को स्मार्ट बनाने का कार्य सबकी सहमती से होता है। हमारा अभियान जनश्रुतिको का उपयोग करना है और उसे दूसरों के लिए भी बनाए रखना हमारा लक्ष्य है।
-एम.नेहा, तंतिलदार, विहार केंद्रीय विश्व

विहार केंद्रीय विश्वविद्यालय में स्वयं को स्मार्ट बनाकर शहर को बेहतर बनाने की शपथ लेते विद्यार्थी व शिक्षक।

- मंथन का अमृत**
- सर्वजनिक यातायात का ज्यादा प्रयोग करें।
 - रुकी खरीदने के लिए बेग ले जाना शान की बात समझें।
 - अनवश्यक हॉर्न का प्रयोग न करें।
 - टैफ़िक को सुचारु रखने के लिए फालतू अपर की भावना रखें।
 - साफ-सफ़ाई और स्वच्छ रहने की नीति सस्माधारियों को भी सिखाएं।
 - भ्रष्टाचार पर अक्षुण्ण लगाने के लिए अरटीअड का प्रयोग करें।
 - सर्वजनिक शिफ्टावर का पालन करें जैसे छीकते समय मुंह पर स्मान रखना।
 - फ़िज्जी की सोरी ना करें।
 - बस-गाड़ियों में सस्कर करते समय यदि कोई महिला या बुजुर्ग खड़े हैं तो उन्हें अपना सीट दें।

हमें मालूम है कि सर्वजनिक जगहों पर मन-मुर लगाने नहीं करना चाहिए मगर फिर भी कई लोग ऐसा करते देखे जाते हैं। खुद को अंशुभासित करने से ही शहर बनेगा स्मार्ट।
-नीतीश कुमार।
अरटीअड का प्रयोग कर नागरिक भी लगाने के भ्रष्टाचार पर रोक। हर स्मार्ट सिटीजन को महिलाओं में एक बार अरटीअड का प्रयोग करना चाहिए।
-अनंद करण।
इन्होंने भी परिचर्चा में लिया भाग
धनया कुमार, सयमा तीरी, अश्विनी कुमार, दिनेश कुमार, जयम गुप्ता और मं. मुदस्वीर अहम।

गाड़ी में हॉर्न के बहुत ज्यादा उपयोग से अनेकाली जेनेरेशन में हायरटेनशन की बीमारी हो रही है। इसे अपनी दृष्टीन और कोर हॉर्नर में भीमी अबाज वाले हॉर्न का प्रयोग करना चाहिए।
-डी अश्विनी कुमार, सहायक प्राध्यापक, बीएचके-सी।

सड़क पर चलते कूज तेज चलनेवाली और कोर चलनेवाली गाड़ियों को अपनी-अपनी कलर में ही चलाई जाए। इससे टैफ़िक की असी से ज्यादा समस्या हल हो जाएगी।
-डी अश्विनी कुमार, सहायक प्राध्यापक, बीएचके-सी।

सस्की खरीदने के लिए भी गाड़ी पर नहीं जाना चाहिए। अपनी गाड़ी का विकल्प उद्योग से 15 गुणा तक सैन को बचत होती है।
-डी. अमित रंजन, सहायक प्राध्यापक, सस्कर साइनेज।

शहर को स्मार्ट बनाने के लिए सभाज के क्रीमी लेयर के बीच चर्च के साथ सुग्री-होर्डिजों में रहने वाले लोगों को भी जागृत करने की जरूरत है।
-असजित पाठक।

हमारे ही विरुद्ध बहाने होने के लिए हम सस्कर को दोषी मानने से जल्दिए एक फरुंदी का प्रयोग कर हम खुद 80 घाट घाट कर ही बचत कर सकते हैं।
-खुद कुमार।

विज्जी सार्वर्द बहाने होने के लिए हम सस्कर को दोषी मानने से जल्दिए एक फरुंदी का प्रयोग कर हम खुद 80 घाट घाट कर ही बचत कर सकते हैं।
-खुद कुमार।

नागरिक खुद छोटी-छोटी सुविधाओं के लिए भ्रष्टाचार को बढ़ावा देते हैं जब वह नुरख की तरह बढ़कर उन्हें ही मित्राने को तारत होती है तो शिखरत करते हैं।
-गीतम कुमार।

अगर हम नियम-क़यदे से चलें तो भ्रष्टाचार अपना शिखर हमर नहीं कर सकता। हमें खुद भ्रष्टाचार को बढ़ावा नहीं देना चाहिए।
-नीतीश कुमार रय।

CUB to start new programme in stats

HT Correspondent

htpatna@hindustantimes.com

PATNA: The department of statistics, Central University of Bihar (CUB), has added more programmes for the coming academic session. This will help students get acquainted to the latest developments in data analysis techniques.

Head of the centre, Arun Kumar Sinha, said Business Analytics has been added as a new area in the elective paper for master's degree in statistics.

"Globally, it is considered an important area of statistics that could increase productivity of a company. According to an MIT Sloan Management Review, 'Top performing companies are three times more likely to be sophisticated exploiters of data and

■ CUB campus

analytics than lower performers in the industry," Sinha said, attributing the inception of the idea to former CUB VC, Janak Pandey.

CUB VC Debdas Banerjee said the programme was available only at select universities. Other faculty members Richa Vatsa, Amit Kumar Misra and Mukesh Kumar said those holding master's degree in statistics, applied

HEAD OF THE CENTRE, ARUN KUMAR SINHA, SAID BUSINESS ANALYTICS HAS BEEN ADDED AS A NEW AREA IN THE ELECTIVE PAPER FOR MASTER'S DEGREE IN STATISTICS

statistics or agricultural statistics would be eligible for admission in M Phil-PhD programmes in statistics this session.

Last date

CUB PRO Mohammad Mudassir Alam said application for admission to PG programmes was open till April 25. The online test would be conducted on May 31 and June 1.

दैनिक जागरण गया, 18 नवंबर 2014

विदेश नीति को संघवाद से जोड़ने की सलाह

● भारत की विदेश नीति पर आयोजित हुई कार्यशाला ● कार्यशाला में खुल कर बोले राजनीति विशेषज्ञ ● स्थानीयता से बनाया जाए संबंध

संवाद सहयोगी (गया नगर) : एक निजी होटल में सोमवार को 'भारत की अपने पड़ोसियों के प्रति विदेश नीति' पर एक दिवसीय कार्यशाला आयोजित की गई। यह कार्यशाला सेंटर फॉर पॉलिटिकल स्टडीज, बिहार केन्द्रीय विश्वविद्यालय एवं इंडियन काउंसिल ऑफ वर्ल्ड अफेयर्स (आईसीडब्ल्यूए), नई दिल्ली के संयुक्त तत्वावधान में आयोजित की गई।

कुमाऊ विश्वविद्यालय नैनीताल से आए प्रो. मधुसूदन कुमार ने कहा कि भारतीय विदेश नीति 1990 और 2001 की 9/11 घटना के बाद ज्यादा जमीनी और यथार्थवादी हुई है। पड़ोसी देशों के साथ भू राजनीतिक मजबूरियों के अलावे अब भू आर्थिक परिदृश्य भी महत्वपूर्ण हो गए हैं। विदेश नीति को नई दिल्ली केन्द्रित न होकर स्थानीय और संघवादी नीतियों के साथ जोड़ा जाना चाहिए। भारत को बाहरी दुनिया के वृहत्तर यथार्थ के परिप्रेक्ष्य में अपनी पड़ोस नीति को व्यवस्थित करना पड़ेगा। पड़ोस की संकल्पना का अर्थ सिर्फ सार्क न होकर दक्षिण-पूर्व एशिया को भी लिया जाना चाहिए। इसे जनता के वृहत्तर

केन्द्रीय विश्वविद्यालय की गोष्ठी में वक्ता

सरोकारों से जोड़ कर पारंपरिक ज्ञान के आलोक में देखा जाना चाहिए। आईसीडब्ल्यूए से आए शोध अध्येता डा. अमित कुमार ने आईसीडब्ल्यूए के इतिहास पर प्रकाश डालते हुए यथार्थवादी वाद से बचने की सलाह दी। पड़ोस के आंतरिक सत्ता संबंधों में यथार्थवादी विदेश नीति के संबंध में प्रयोग में लाना होगा। कार्यशाला के

समन्वयक डा. आलोक कुमार गुप्ता ने अतिथियों का स्वागत करते हुए इसे विदेश नीति को जनता तक ले जाने का बेहतरीन प्रयास बताया। कार्यक्रम में प्रो. रामनंदन सिंह, डा. एहतेशाम खान, डा. मनीष सिन्हा एवं बिहार केन्द्रीय विश्वविद्यालय से डा. कमलानंद झा, डा. कौशल किशोर, डा. योगेश प्रताप शेखर, डा. सुधाशु झा, डा.

गोष्ठी में भाग लेते छात्र-छात्राएं

- Two hostels, one for girls and one for boys, lecture hall complexes, faculty quarters, guest house, studio apartment (one bed room)
- Eco-friendly green campus and buildings according to GRIHA ratings

The master plan of Central University of Bihar

ROSHAN KUMAR

Patna, June 23: The Central University of Bihar (CUB) has invited tender for construction of a boundary wall and entrance plaza for its new campus in Gaya.

RITES Limited (Rail India Technical and Economic Service) invited the tender on behalf of CUB last week. The last date for submitting the tender is July 7 for the construction of the 7.8-km long boundary wall and entrance plaza.

At present, CUB is running from a rented building on the Birla Institute of Technology (BIT) Patna campus. The university administration expects the construction of the boundary wall to be completed within seven months so that the first phase of the

new building gets over in two years.

CUB registrar Mohammed Nehal said: "We expect that the construction of the boundary wall gets completed in six to seven months. The first phase of the construction work, which includes four school buildings, hostels, employees and officials quarters, VC's residence and health centres, will be ready in two years so that the university can shift to its new campus in Gaya."

The estimated cost of the construction of the first phase is Rs 300 crore, which includes Rs 11.74 crore for boundary wall and entrance plaza. The new campus of CUB is coming up on 300 acres at Panchampur in Gaya.

In the first week of February this year, CUB was handed over 300 acres of defence land

at the abandoned Panchampur airfield for the establishment of the full-fledged permanent campus. On February 27, former Lok Sabha Speaker and CUB chancellor Meira Kumar laid the foundation stone of the new campus.

Students who had come for taking admission for the post-graduate courses at the university were excited when informed that CUB will shift to the new campus within two years.

Ankita Pandey, a student seeking admission in the post-graduate course, said: "I am happy about the fact that at least we can spend the last few months on the new campus in Gaya."

According to the architecture design of the new campus, there will be provision of four school buildings. At pres-

ent CUB runs 26 courses, including four undergraduate courses, six PhD and 16 post-graduate programmes, with around 500 students.

However, the university administration has decided to set up four schools to increase the number of students and courses.

CUB official Mohammed Mudassir Alam said: "Eco-friendly green campus, G+4 to G+8 buildings according to GRIHA ratings (green buildings rating system in India), adequate use of solar energy and biomass energy, water bodies, fountains, rainwater harvesting and underground water treatment will be some of the features of the new Gaya campus."

Solar and biomass energy will also be used for street lighting.

سنٹرل یونیورسٹی آف بہار میں داخلے کی تاریخ 3 مئی

پنشنہ (پریس ریلیز)

سنٹرل یونیورسٹی آف بہار میں داخلہ فارم بھرنے کی تاریخ 25 اپریل سے بڑھا کر 3 مئی تک کر دی گئی ہے۔ اب آن لائن اور آف لائن فارم 3 مئی تک بھرا جاسکے گا۔ کزنٹیشن کنٹرولر ڈاکٹری ایل پر بھاوتی نے کہا کہ یونیورسٹی انتظامیہ نے یہ فیصلہ طلبہ اور گارجین کی گزارشات پر کیا ہے۔ انھوں نے کہا کہ یونیورسٹی پہلی بار سی۔ یو۔ بیٹ (سنٹرل یونیورسٹی آف بہار انٹرنس ٹسٹ) کے نام سے داخلہ امتحان منعقد کر رہی ہے۔ ابھی تک حاصل شدہ درخواستوں سے یہ اندازہ ہوتا ہے کہ سی۔ یو۔ بی۔ کے نصاب کو لیکر طلبہ اور ان کے گارجین میں کافی امنگ ہے۔ ڈاکٹر پر بھاوتی نے کہا کہ داخلہ فارم بھرنے کی تاریخ

میں اضافہ کرنے کا مقصد زیادہ سے زیادہ طلبہ کو داخلہ فارم بھرنے کے مواقع فراہم کرنا ہے۔ پبلک ریلیشن آفیسر (پی۔ آر۔ او) محمد مدثر عالم نے کہا کہ فارم بھرنے کی تاریخ میں اضافے کی اطلاع جمعے کی شام تک یونیورسٹی کی ویب سائٹ (ڈبلیو ڈبلیو ڈبلیو ڈاٹ سی یو بی ڈاٹ ایسی ڈاٹ ان) پر مہیا کرادی گئی ہے۔ انھوں نے کہا کہ ان لائن داخلہ فارم بھرنے کی تاریخ میں کوئی بدلاؤ نہیں کیا گیا ہے اور وہ 31 مئی اور 1 جون کو پورے دلش میں ?? مراکز میں منعقد کیے جائیں گے۔ ان میں دس مراکز صوبہ بہار میں ہیں قابل غور امر یہ ہے کہ سی۔ یو۔ بی۔ بہار کی پہلی سینٹرل یونیورسٹی ہے اور اس میں اب تک 26 نصابات شامل کیے جا چکے ہیں۔
