

About The University

Central University of South Bihar, Gaya (Erstwhile Central University of Bihar) was established in 2009 through Central Universities Act 2009 of Parliament. With a motto, i.e., '**Gyan Seva Vimuktaye**', the University has been conducting its academic and administrative activities in a 300 acre land at Gaya, Bihar. The University is progressive to carve a niche with its policies, programmes and innovations for quality education and frontline researches in higher education. In its academic endeavour, it has significantly achieved a landmark in terms of infrastructure, laboratories, research projects, faculty recruitments, procedural tasks, along with conduction of innovative programmes being offered. Recently, it has been accredited with **Grade A⁺⁺** by NAAC.

About the Malaviya Mission of Teachers Training Centre (MMTTC)

Teachers shape the future of our children - and, therefore, the future of our nation. So, teacher must be at the centre of the fundamental reforms in the Bharat-Centric education system. Ergo, NEP 2020 emphasizes the creation of committed, enthusiastic, and competent faculty at all level of education. The capacity building of teachers at all levels has been considered as one of the major thrust areas in the field of higher education. In this regard, UGC-HRDCs and PMMNMTT centers contributed immensely towards professional development of the teachers of Higher Education Institutions (HEIs). In the context of progressive world and global economy, Continuous Professional Development (CPD) of faculty in all disciplines is required to fulfill the need and aspiration of society and nation. In order to achieve the target of NEP 2020 and keeping in view the optimal utilization of infrastructure, financial, and human resource, the Ministry of Education, Govt of Bharat has launched the '**Malaviya Mission-Teachers Training Centres**' (MMTTCs) on 5th September 2023 (Teachers' Day) to strengthen the synergy and integration between HRDCs and PMMNMTT centres.

About the Programme

In the context of an ever-changing world and global economy, Bhartiya Education System needs to be revamped and reenergised to prepare the responsive citizens for dealing with rapid change and unexpected circumstances as well as cater the need of 21st century learners. Ergo, NEP 2020 introduced by the Ministry of Education, Govt of Bharat on 29th July 2020 to transform the education system across the entire spectrum of education considering socio-economic, geographical and other disparities. It seeks to instil among learners a rootedness and pride in Bharat, and its rich knowledge systems and traditions. **Bharat Centric Education** is the judicious blend of 'Bhartiya Gyan Parampara' and 'Modern Education System' develops a sense of respect towards fundamental duties,

constitutional values and a conscious awareness of one's roles and responsibilities that helps to make a more inclusive, equitable, cohesive, responsive, productive society that helps to transform India as '**Atmanirbhar Bharat**'. Hence, in order to achieve the aim of NEP 2020 and achieving SDGs, collaborative efforts of HEIs and different prestigious institutions are highly expected to orient and sensitize the faculty members of HEIs towards NEP 2020 and its effective implementation across the country. For achieving the said targets, CUSB is committed to develop a robust mechanism for academic as well as research ecosystem for impactful and sustainable outcomes.

Referring to the above context, **MMTTC, CUSB** Gaya is going to organize the Faculty Development Programme titled "**National Education Policy 2020 Orientation and Sensitization Programme**" for faculty members of Higher Education Institutions of Govt. of Bharat to enhance the professional skills and capacity building in developing a model curriculum, content writing in perspective of NEP 2020 and conducting frontline research in their respective fields.

Objectives of the Programme

1. To impart holistic education, imbibing the ideals of Bharat-centric ethics and human values
2. To impart pedagogy-related training and improve faculties' soft and practical skills.
3. To acquire the concept of Bhartiya Jnana Paramapara and apply it in real life for the advancement and creation of knowledge.
4. To generate new ideas/materials with a multidisciplinary and cross disciplinary thinking approach.
5. To develop critical thinking and problem solving skills in a socio-cultural milieu
6. To develop respect for the preservation of biodiversity
7. To solve local, national, and global problems through innovation and entrepreneurial skills.

Themes

1. Holistic and Multi disciplinary Education
2. Bhartiya Knowledge Systems
3. Academic Leadership, Governance, and Management
4. Higher Education and Society
5. Research and Development
6. Skill Development
7. Student Diversity and Inclusive Education
8. Information and Communication Technology
